Taxi Restricted Parking Area.
- Information:** Wellington City Council proposes to provide a safe and usable public footpath and optimise parking arrangements around the Wellington Central Library following the closure of the building after a post-earthquake risk assessment. The proposal involves widening the existing footpath on Victoria Street adjacent to the Central Library to improve pedestrian capacity and amenity and maximising the number of metered car parks and relocating the taxi rank from Mercer Street.
- The existing kerb and channel, and adjacent kerbside parking restrictions, will be removed to facilitate the footpath widening and a new kerb and channel will be constructed. New parking restrictions will be installed adjacent to the new kerb line to provide medium (P120) term parking together with the relocation of the taxi stand from Mercer Street.
- (Please refer to TR-152-19 also being consulted on)
- Following the closure of the library nine existing parking spaces were temporarily decommissioned.
- These consisted of:
- Two P120 spaces;
 - Five P5 spaces; and
 - Two mobility spaces
- These will be replaced with new parking spaces consisting of:
- Four P120 spaces (Monday to Thursday 8:00am – 6:00pm, Friday 8:00am – 8:00pm, Saturday and Sunday 8:00am – 6:00pm) spaces; and
 - 30 metre taxi stand
- Parking by space parking fees will apply to the P120 spaces.

This traffic resolution supports the Council's strategic direction and sustainable transport hierarchy adopted in the Urban Growth Plan 2015 by providing pedestrians with a safe footpath thereby encouraging walking while a decision is made on the future of the Central Library building. The proposed taxi stand will improve accessibility for the public.
