

Safer speed limit proposed for Karori shopping area

The Council is proposing a safer speed limit in the Karori shopping area of 30km/h.

Have your say

Wellington City Council would like your feedback on its plan to reduce the speed limit in the Karori shopping area from 50km to 30km.

To have your say, go to wellington.govt.nz/karorispeedlimits and fill out the submission form online. Please provide your feedback by 5pm on Monday 22 June 2020.

This proposal to reduce vehicle speeds will make Karori's streets safer and more pleasant for all road users.

There will be little effect on motorists' travel times, as the average speed in this area is already close to 30km/h.

Studies show that reducing vehicle speeds significantly reduces the number and severity of injuries.

The Council has reduced the speed limit in 15 other shopping centres including Northland, Ngaio, Khandallah and Wadestown.
