

We are proposing a change in your area

Kia ora,

This leaflet is to let you know about a change we are proposing to make in your neighbourhood.

Proposal:

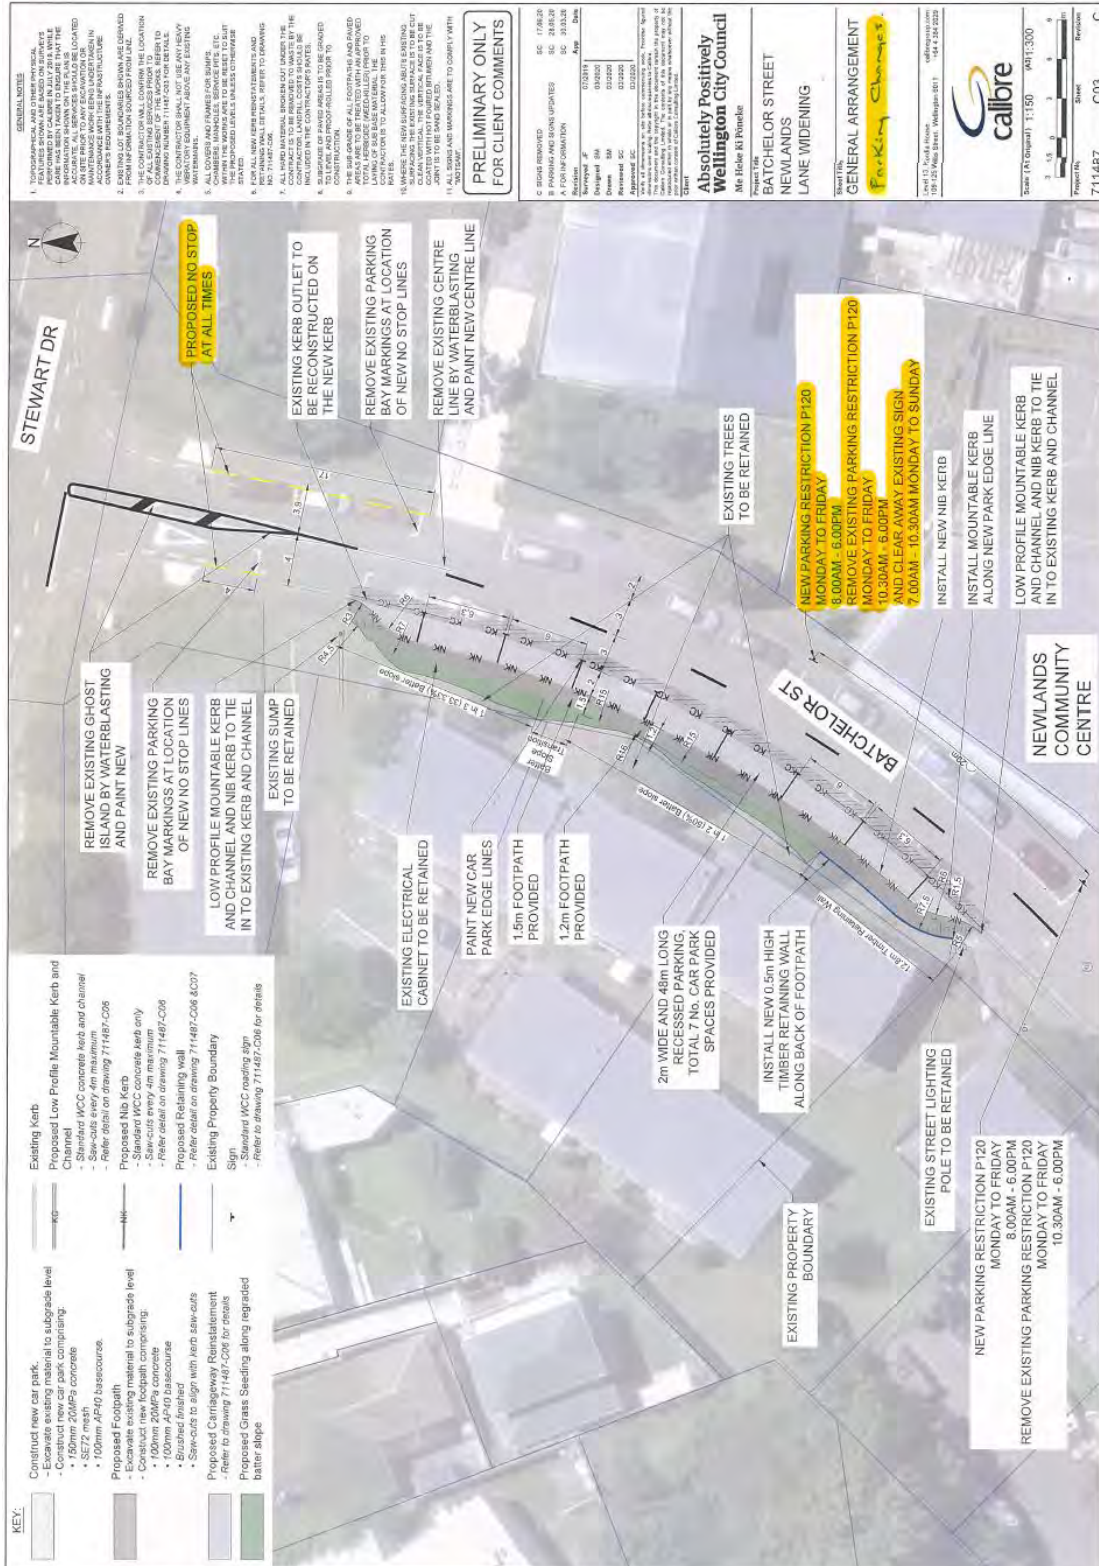

What we'd like to do	<ul style="list-style-type: none">• Change the P120 time restricted parking (29 metres) along the east side of Batchelor Street to the hours Monday to Friday 8am-6pm.• Install an additional 17 metres of broken yellow lines on the eastern side of Batchelor Street and an additional 4 metres along the western side of Batchelor Street near the intersection with Stewart Drive.• Remove the parking clearway on the eastern side of Batchelor Street
Why we are proposing the change	<ul style="list-style-type: none">• We have received requests from local residents and the Medical Centre for the widening of the road corridor to facilitate two way traffic flow. The proposed layby parking addresses the current one way operation and the associated road safety concerns on this part road network adjacent to the intersection with Bracken Road.• There is a new development on Batchelor Street and if we do address the road safety issues, the additional traffic will increase the risk.• The layby parking, which is in high demand from residents, the community centre, medical centre and shoppers/staff, will facilitate safer 2-way travel on this section of the road.
Location – where we propose to make the change	<ul style="list-style-type: none">• Batchelor Street, Newlands – From the intersection of Stewart Drive to the access road between The Newlands Arms and Newlands Community Centre.
Impact	<ul style="list-style-type: none">• Additional 5 P120 parking between the hours of 7am-10:30am Monday to Sunday• Improved accessibility and safety• Removal of 3 parking spaces on the western side of Batchelor Street near the intersection of Stewart Drive to improve vehicle manoeuvring and safety
