Kia ora,

This leaflet is to let you know about a change we are proposing to make in your neighbourhood.

Proposal:

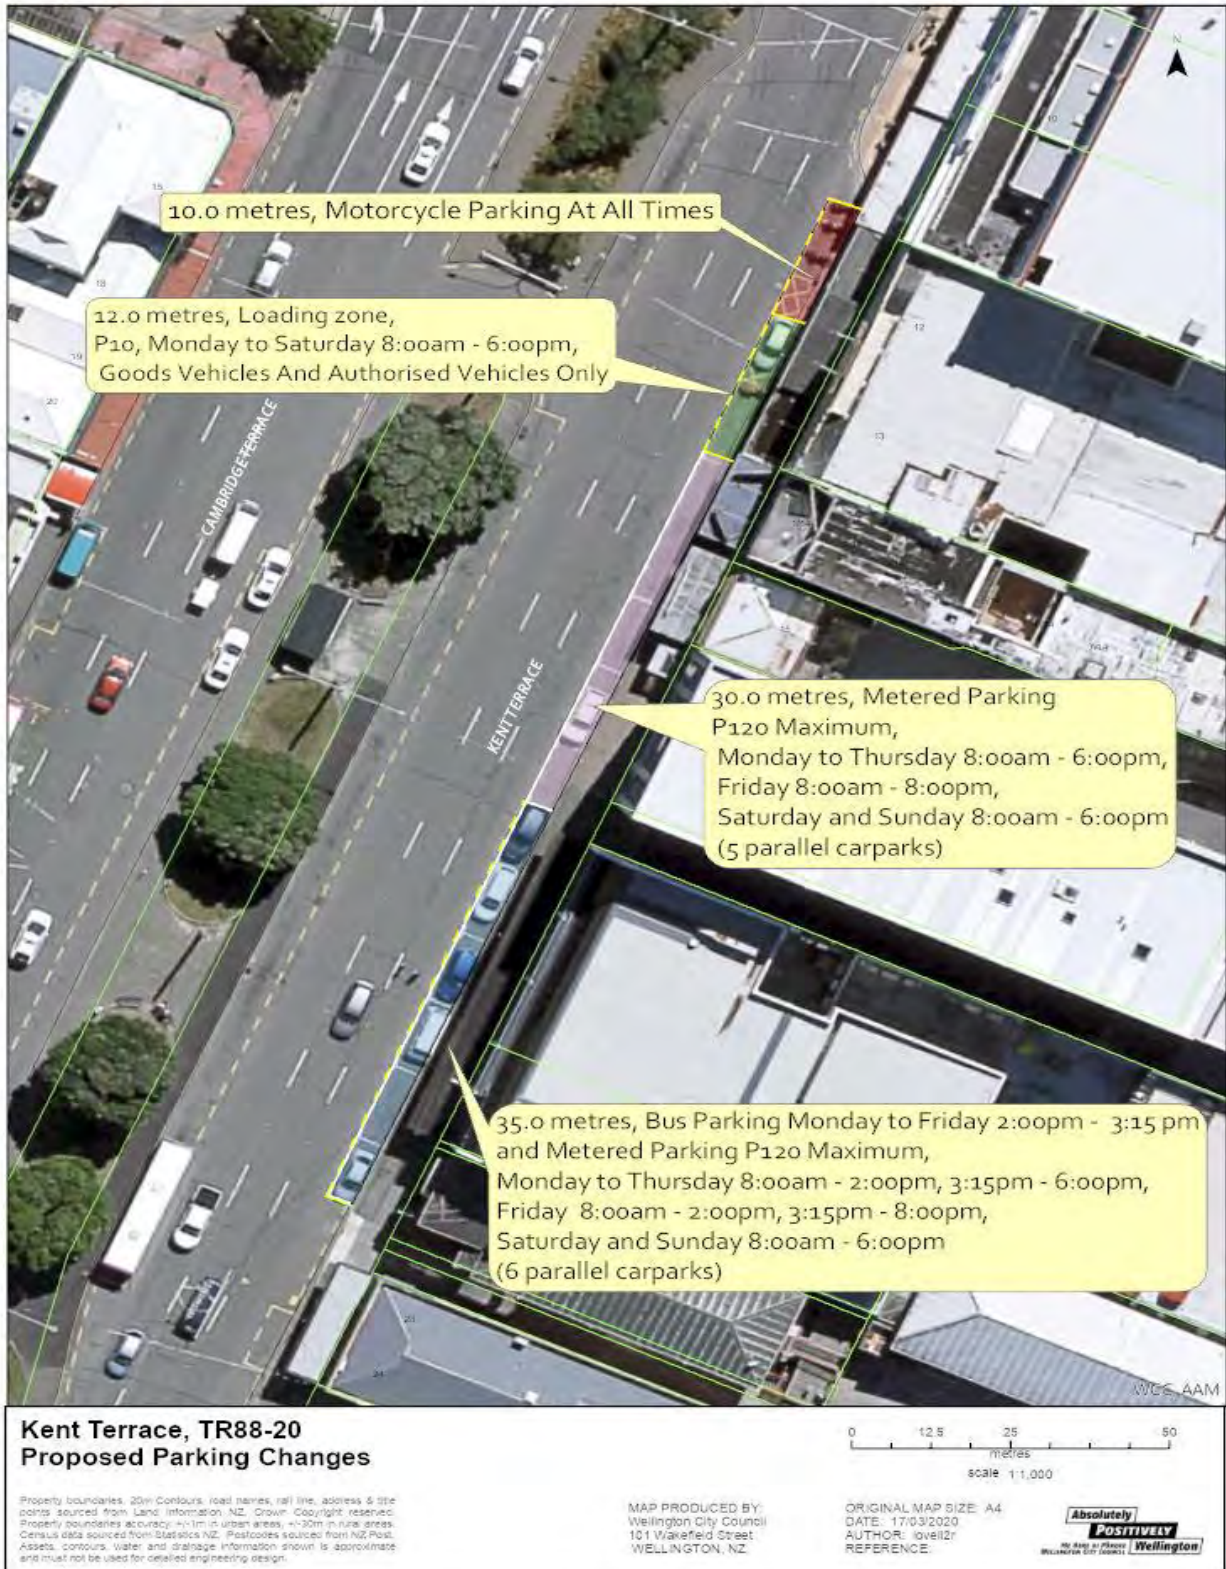

What we'd like to do	<ul style="list-style-type: none">• Convert six of the nine metered parking spaces for 'layover' school bus parking from Mon to Fri 2:00pm-3:15pm. The three parks that remain will be metered parks Mon to Thu 8:00am-2:00pm, 3:15pm-6:00pm and Friday 8:00am-2:00pm, 3:15pm-8:00pm• Minor reconfiguration of the motorcycle parks (currently two separate parks) and relocation of the loading zone that will create two metered parks.
Why we are proposing the change	<ul style="list-style-type: none">• Greater Wellington Regional Council and Wellington City Council's Parking Services have requested a bus park 'layover' area to minimise buses arriving early at the Ellice Street bus stop (Wellington East Girls College). This will mitigate extended bus parking across driveways on Ellice Street.• There is opportunity to utilise the unused on-street no parking restriction outside of 12 Kent Terrace by combining the motorcycle parks and relocating the loading zone. This will allow delivery vehicles to make use of the dropdown kerb that is in place to assist with their deliveries.
Location – where we propose to make the change	<ul style="list-style-type: none">• Kent Terrace, Mount Victoria on the eastern side between Majoribanks Street and Edge Hill.
Impact	<ul style="list-style-type: none">• Improved bus park 'layover' opportunities for school buses en route to the Wellington East Girls College bus stop on Ellice Street. This will provide school buses an allocated bus park (two parks) on Kent Terrace rather than parking on Ellice Street (across residential driveways) leading up to the afternoon school pick-up time.• Improved efficiency and safety of vehicle movements along and at the intersection of Austin and Ellice Streets during school peak times.• Removal of four metered parking spaces; installation of two bus parks

Additional Information	<ul style="list-style-type: none">• Traffic Resolution <i>TR-87-20 Austin Street & Ellice Street – Bus Stop Time Restrictions</i> will be presented to Council to complement this proposal.• Nine buses arrive near the school on Ellice Street within a 5 minute span to pick-up students in the afternoon. Kent Terrace was identified where a part-time layover school bus park can be installed.• Average weekday traffic volume – 11,780 vehicles.• Due to Covid-19 restrictions this proposal was rescheduled.• To view the legal description for this Traffic Resolution, an electronic copy of the report will be available on the Councils website from 9.00am Tuesday 30 June 2020 at www.wellington.govt.nz/haveyoursay or you can call (04) 499 4444 and we will send one out to you.
