

# We are proposing a change in your area

Kia ora,

You are receiving this leaflet as **we would like to inform you of a proposed change** we are making in or around your neighbourhood/place of business.

The Council is consulting on increasing parking fees through the Long-Term Plan process. To ensure that the Council can make a timely decision on increasing parking fees and/operating hours, we need to comply with our traffic bylaw. This requires a traffic resolution to be drafted to increase the fees and or change the operating hours, the traffic resolution then needs to be publicly notified. The public are then able to make comments on the resolution, and at the Council's discretion make oral submissions.

The Strategy and Policy Committee will be receiving any submissions on this traffic resolution and making a recommendation to the Council on whether or not to adopt the traffic resolution. The Council will then consider the public input from the traffic resolution process, and the long-term plan consultation before finally determining whether to increase parking fees. If fees are increased the traffic resolution will then be passed by Council, if not it will lapse. The Council may decide to amend the level of fee increase adopted in the report as part of those deliberations.

Trade coupons operating hours will remain unchanged applying 8am-6pm Mon- Sun.
