

# We are proposing a change in your area

Kia ora,

This leaflet is to let you know about a change we are proposing to make in your neighbourhood.

## Proposal:

<b>Reference</b>	TR90-21 Cambridge Terrace, Te Aro – Bus layover time limited parking
<b>What we'd like to do</b>	<ul style="list-style-type: none"><li>• Install a P30 time restricted parking space for approved buses as a layover space for drivers to wait before commencing their next scheduled service.</li></ul>
<b>Why we are proposing the change</b>	<ul style="list-style-type: none"><li>• We have received requests from the bus operators citing insufficient layover space for Public Transport services causing bus parking congestion elsewhere.</li><li>• This layover space will enable adequate parking space for buses before starting their next scheduled service.</li><li>• This complies with the Employment Relations Amendment Act 2018 policies that outline requirements for bus driver rest breaks and the provision of suitable space allows for these rest breaks to occur at this proposed location.</li></ul>
<b>Location – where we propose to make the change</b>	Cambridge Terrace, Te Aro – from opposite no.28 to no.23
<b>Impact</b>	<ul style="list-style-type: none"><li>• This provides an accessible space for bus drivers to take their breaks.</li><li>• Net parking impact – removal of approximately 10 Taxi Stand parking spaces (45 metres) in the existing unrestricted taxi stand on eastern kerbline of Cambridge Terrace.</li><li>• Pedestrian impact - no change.</li></ul>
<b>Additional Information</b>	<ul style="list-style-type: none"><li>• Average daily traffic count – 12,800.</li><li>• To view the legal description for this Traffic Resolution, an electronic copy of the report will be available on the Council's website from 9.00am Monday 28 June 2021 at <a href="http://www.wellington.govt.nz/haveyoursay">www.wellington.govt.nz/haveyoursay</a> or you can call (04) 499 4444 and we will send one out to you.</li></ul>
