

## PROPOSED NEW EASEMENTS OVER RESERVE IN CROFTON DOWNS AND GLENSIDE

Wellington City Council is considering granting two new easements over reserve with the following details:

- An easement for a water bore and headworks and an easement for a community water station in favour of Wellington City Council at Huntleigh Park on Silverstream Road, Crofton Downs (Pt Sec 7 and Lot 2 DP17482).
- An easement for a water bore and headworks and an easement for a community water station in favour of Wellington City Council at Glenside Reserve at 246 Middleton Road, Glenside (Section 2 SO 451944).

The easements are for water bores and community water stations (CWS) to improve resilience in the event of an emergency, comprising water bores/headworks and CWS containing water pumps, treatment equipment and water storage on land held under the Reserves Act 1977 at Huntleigh Park, Crofton Downs and Glenside reserve in Glenside.

### Reserves Act 1977 notifications

Pursuant to Sections 119 and 120 of the Reserves Act 1977 the Council will consider granting easements under section 48 of the Reserves Act 1977.

Details of the proposal can be viewed:

- On the Council's 'Have Your Say' webpage
- On the Wellington Water Ltd website

If you have any objections or would like to make a submission, please send them to Bec Ramsay, Manager Open Space and Recreation Planning, Wellington City Council, PO Box 2199, Wellington 6140 or email [bec.ramsay@wcc.govt.nz](mailto:bec.ramsay@wcc.govt.nz)

All submissions must be received by **5pm on Wednesday 13th June 2018**.
