- ☑ alcoholic beverages *(describe type and range)*
- ☐ how and where drinking water will be made freely available to customers *(if there is no access to mains water supply describe how you will make water available)* SELF SERVICE WATER TAP @ BAR, FREELY AVAILABLE OVER BAR

What actions does the applicant propose to take to make sure minors *(people under 18 years)* and intoxicated people are not supplied alcohol?
We have well trained managers & Staff that check all ID's for people that look under the age of 30. We are stringent in enforcing no ID no service. We have Security guards on for all live music to check ID's

What actions does the applicant propose to take to provide help with and information about transport options from the licensed premises?
We have transport options clearly displayed at the door. All staff are well trained and can help with transport options.

What other actions does the applicant propose to take to promote responsible alcohol consumption?
We are a craft beer bar predominantly. We have a quality over quantity approach to alcohol. We don't sell RTDs and risky drinking is not tolerated. We have an attitude in the Rogue of stopping problems before the become a problem. This has served us well over the years.

What other systems *(including training)* and staff are, or will be, in place for compliance with the Act?
We have well trained staff, managers & security. We run regular meetings and training. We have an internal Slack messaging system so all problems or issues can be addressed straight away.

Please note: The New Zealand Police and the Medical Officer of Health are required by the Sale and Supply Act 2012 to make enquiries into the application which includes the suitability of the applicant. The Police inform the District Licensing Committee of any convictions or concerns involving the applicant. Should there be concerns the applicant will also be advised.
