Kingsford Smith Street – Resource Consent Application

Site Address: 55-59 Kingsford Smith Street, Rongotai
Legal Description: Lot 1 and Lot 2 Deposited Plan 80510
Council Reference: Service Request No. 387233
Consent Description: Construction of a new building comprising of 38 household units, 58 short-stay accommodation units, three retail spaces, parking and associated earthworks on a potentially contaminated site.

I am writing in relation to the above resource consent application as you made a submission on the proposal.

On 11 February 2019 the Council exercised its power under s 91C of the Resource Management Act 1991 to return the application for resource consent to the applicant due to the extended period the resource consent application was on hold for. If the applicant wants to proceed with their proposed development they will need to re-lodge a new application.

If you would like to discuss this further please contact me via the email address or the number below.

Yours sincerely,
