I certainly hope so, but we aren't quite there yet in terms of being able to give a firm answer. I'd say you could legitimately refer to the memorial's impending status as a National Historic Landmark.

Hi Kerry

Sorry me again, I forwarded your email to my colleague who is working on the report for 1 Tasman development.

Not sure whether you'll be able to know at this stage but is it likely to be completed before June? Just wondering whether we can acknowledge the status or not in the decision.

Thanks for your help

Kia ora Leigh,

My colleague Reuben has asked me to give you an update on the National War Memorial National Historic Landmark proposal.

Public submissions closed on 3 March. 300 submissions were received, 98% in support. The proposal is now being reviewed internally at Heritage New Zealand Pouhere Taonga before being sent to the Associates Arts Culture and Heritage minister for approval. I can't say when this will occur, but we hope to have the project completed this financial year.

Ngā mihi,

Kerry

Good Morning

I'm helping Monique with 1 Tasman Street resource consent at the moment and was just wondering if you could give us a status update in the landmark process for the War Memorial/Carllion?

Look forward to hearing from you.

Cheers
