Hi Monique,

No worries I'm not going anywhere far. I'll be on level 18.

And yes I can confirm that the panel looked at the design aspects from a generic point of view and not the policies and objectives. However, I believe they have covered the design excellence policy. I guess you would be able to see the panel report as it should be saved on the files but if not please let me know and I will try to see whether I can find it.

Ngā mihi,
Farz

Hi Farz,

As discussed can you confirm that the One Tasman UDP held in May 2021 was a forum set up to look specifically at design in the earliest stages of the proposal and the objectives and policies filter had not yet been applied.

Thanks you.

And good luck – you're awesome!

Monique
