

Proposed Road Stopping – Manners Street, Te Aro

Wellington City Council, under section 342(1) of the Local Government Act 1974, proposes to 'stop' an 88sq m portion of legal road situated between 47 Manners Street and 107 Victoria Street, Te Aro.

We no longer require this land for road purposes.

The land (Section 2 SO 475276) is situated directly adjoining 47 Manners Street (Section 1 SO 35946). Once the road land is stopped 88sq m of it will be sold to the adjoining owner of 47 Manners Street, Te Aro, and the land titles amalgamated. In exchange two parcels of land, (Sections 2 and 3 SO 475276, comprising 15sq m and 55sq m respectively), will be acquired by the Council as legal road.

The uses to which the land can be used are governed by the Wellington City Council District Plan.

You can get a copy of the report about this proposal, and the survey office plan (SO 475276) defining the road to be stopped and exchanged from:

- The Central Library (Level 2), 65 Victoria Street

Objections to this proposal must be lodged in writing with Brett Smith, Property Services, Wellington City Council, PO Box 2199, or you can drop it off to Council reception at 101 Wakefield Street.
