

PLAN TO 'STOP' AND SELL UNFORMED ROAD – RAVI STREET

Wellington City Council, under section 342(1) of the Local Government Act 1974, proposes to 'stop' a 92 sq m portion of land in Ravi Street, Khandallah, Wellington.

We no longer require this land for road purposes.

The land, described in the schedule below, is situated directly adjoining 11 Ravi Street (Lot 1 DP 86393). Once the road land is stopped 90 sq m of it will be sold to the adjoining owner of 11 Ravi Street, Khandallah, and the land titles amalgamated. Two square metres would continue to remain in Council ownership.

The uses to which the land can be used are governed by the Wellington City Council District Plan.

You can get a copy of the report about this proposal, and the survey office plan (SO 473398) defining the road to be stopped from:

- The Central Library (Level 2), 65 Victoria Street

Objections to this proposal must be lodged in writing with John Vriens, Property Services, Wellington City Council, PO Box 2199, or you can drop it off to Council reception at 101 Wakefield Street.

All objections must be received before 5pm, Monday 9th June 2014.
