

PROPOSAL TO 'STOP' AND SELL UNFORMED LEGAL ROAD - ESSEX STREET, ARO VALLEY

Wellington City Council, under section 342(1)(a) and Schedule 10 of the Local Government Act 1974, proposes to stop a 50m² portion of unformed legal road in Essex Street, Aro Valley.

Council has determined that it no longer requires this land for road purposes and has no other purpose for the land.

The land (Section 1 SO 510848) adjoins 12 Essex Street, Aro Valley (Lot 3 DP 11178). Once the 50m² of legal road land is stopped it will be sold to the owner of 12 Essex Street, Aro Valley and amalgamated with the title to their land.

It is proposed to also stop a further 1m² of legal road land (Section 2 SO 510848), with that land remaining in Council ownership.

Any future buildings or activities on the land will be governed by the Wellington City Council District Plan once stopped.

You can get a copy of the report about this proposal, and the survey office plan (SO TBC) defining the legal road to be stopped from:

- The Central Library (Level 2), 65 Victoria Street
- Our service centre at 101 Wakefield Street
