

PROPOSAL TO 'STOP' AND SELL UNFORMED LEGAL ROAD – MANCHESTER STREET

Wellington City Council, under section 342(1) of the Local Government Act 1974, proposes to 'stop' a 98m² portion of unformed legal road land in Manchester Street, Melrose.

We no longer require this land for road purposes.

The land (Section 2 SO 533441) is situated directly adjoining 1 Manchester Street (Part Lot D DP 145). Once the road land is stopped 98m² of it will be sold to the owner of 1 Manchester Street, and the land titles amalgamated. In exchange 1m² (Section 1 SO 533441) will be acquired by Council for road land.

The uses to which the land can be used are governed by the Wellington City Council District Plan.

You can get a copy of the report about this proposal, and the survey office plan (SO 533441) defining the road to be stopped from:
