

# Public swimming times during Alert Level 2

The table below shows public swimming times across our pools during level 2. Times outside of these are reserved for swim school and clubs. By having these set times we can ensure enough space is available and physical distancing is maintained at all times.

Please be aware that we do have maximum swimmer numbers in all of the pool spaces and may have to restrict entry during busy periods. Also please be aware of changes to our active supervision guidelines while swimming. For more information check our Facebook page.

All times and bookings are subject to change. Please see our Community Pools Facebook page for up-to-date information. This timetable will be dependent on the Alert Level remaining at Alert Level 2 in Wellington. We will continue to review these restrictions, based on any future changes to the alert levels.
