

Mural design: What do you love about Newtown?

Artist, Liana Leiataua is returning to Newtown to update the mural she originally painted at the entrance to the Library in 1991. She is collaborating with Gorse (Ruth Robertson-Taylor) to create a new mural that welcomes people to the library. Liana and Ruth would love your ideas. Colour the blank spaces with your design, list below three things you love about Newtown then deliver to Newtown Library or Newtown Community and Cultural Centre by Monday 1 February 2021 and be in to win prizes from New World Newtown or Peoples Coffee. Mural designs will be displayed at the Newtown Library during February.

List three things you love about Newtown?
