

Active Artists Creative Spaces Tour 26–27 January

Cycle fun meets Aho Tini!

Join us on an e-bike tour of community spaces that are artist-friendly and bookable. See some great community projects and spaces in hidden places! Don't have an e-bike? You can borrow an e-bike and helmet free of charge.

Book now to secure your spot

To book please email your name, phone number, an emergency contact, and whether you'd like to borrow a bike, to arts@wcc.govt.nz by 23 January 2023.

There will be a maximum of 15 riders per tour, plus Council staff. Bookings are on a first-in-first-served basis. If you miss out, don't worry, we will run more tours!

Bring water, and remember to wear sunscreen. If you are riding your own bike, please wear a helmet. We'll provide morning tea, and kai at the end of the tour.

We will confirm your booking and send more details prior to the event. If you have any questions please email arts@wcc.govt.nz

This is an Aho Tini 2030 Arts, Culture, and Creativity Strategy initiative, delivered by the Wellington City Council Creative Capital and City Design teams.
