

Community Pools public swimming times

Due to the impact of staff shortages and COVID-19, we are having to prioritise and reduce services. The table below shows the current public swimming times across our Community Pools. Outside of these times we will accommodate Clubs and Swimwell lessons only if we are able depending on staffing levels.

Please be aware that there may be pools closing at short notice, in addition to the reduced hours indicated below. We may at times have to restrict entry during busy periods to ensure safety based on staff numbers.

Please make sure to check our facebook page regularly before visiting the pools to avoid disappointment.
