

# Public swimming times during Omicron

Due to the impact of Omicron and staff isolating we are having to prioritise and reduce services. The table below shows the current public swimming times across our Community Pools during Omicron. Outside of these times we will accommodate Clubs and Swimwell lessons only if we are able depending on staffing levels.

Please be aware that there may be pools closing at short notice, in addition to the reduced hours indicated below. We may at times have to restrict entry during busy periods to ensure safety based on staff numbers. Please make sure to check our facebook page regularly before visiting the pools to avoid disappointment

## Upcoming events / Points of note:

**Keith Spry Pool:** Our monthly combined Waitohi Hub Youth Night is this Saturday 2nd July, followed by our monthly Out in the Pool session on Sunday 3rd July. For more information visit our facebook page

We are doing our best to keep pools open. Please be kind to our staff, and wear your masks. Be prepared that we may be restricting entry or closing at short notice at times.
