The Wellington City Council Trade Waste Bylaw 2016

The Wellington City Council makes this Bylaw under the authority of, and in accordance with, the provisions of the Local Government Act 2002 and the Bylaw Act 1910.

The purpose of the Bylaw is to control trade waste discharges into the wastewater system to protect:

- sewers, pumping stations, wastewater treatment plants and other related wastewater system structures
- workers operating in or with the wastewater system
- the environment by ensuring the necessary resource consents are met
