Consents Data

Thank you for your request made under the Local Government Official Information and Meetings Act 1987 (the Act), received on 01 February and refined on 23 February. You requested the following information:

- Please refine to the area that comprises Thorndon and Pipitea,
- Please provide ALL building and demolition consents issued in these suburbs since October 2016, with as much of the metadata types as originally requested as is available.
- Please provide in spreadsheet format.

Wellington City Council has granted your request for information. Please see the attached spreadsheet. Our Consents and Compliance Team are also happy to discuss the data with you, if you would like to do so, please email us and we can pass on your contact details.

We have removed confidential consents information.

Your original request asked that this data relate to buildings impacted in any way by the Kaikoura earthquakes. The attached spreadsheet is from the period of 2016 onwards, but these do not specify if it was specifically earthquake damage and there will be buildings which had damage that may not be on this list.

Please note, we will release our response to your request.

Thank you again for your request, if you have any questions, please feel free to contact me.

Kind regards
