

Disclaimer: This table shows scheduled meetings held by the mayor relating to mayoral business, which have been recorded in the mayor's diary. It does not include meetings that relate to the mayor's personal engagements and meetings. It does not include time spent in Council and Council Committee meetings as these are already matters of public record.

Some scheduled meetings with other Elected Members and between the Mayor and Chief Executive and Council Officials have been included in this diary release. However unscheduled meetings with Elected Members, the Chief Executive, Council Officials, as well as media interviews, take place often and are not included in the diary. Travel logistics are also not included.

Note attendees to a meeting change frequently so this table may not contain an accurate record of all attendees.

Matters that may not be included in this proactive release include information that might breach the privacy of a person or relate to decisions still under active consideration by the mayor, consistent with the grounds under which matters might be withheld from release under the Local Government Official Information and Meetings Act.
