### **3. Discussion**

The consulted Botanic Gardens traffic resolution proposal sought P120 Metered Parking (Pay & Display) between the hours of 0800 and 1800 seven days a week, and a time limited P120 restriction between the hours of 1800 and 0800. The proposed resolution was the result of Council's acceptance of Report 4a (*1215 52 IM*), 10 March 2009, and the subsequent inclusion of it in the LTCCP 2009-12 and its revenue within the Botanic Gardens funding policy.

As a consequence of the written and oral submissions officers have amended the following:

This amendment provides for:

#### **Botanic Garden/Anderson Park/Bolton Street**

- **Metered parking (Pay and Display)**, P120 \$2.00 per hour , 0800/1600 weekdays,
- **All other times** P120, no charges, enforced by patrols.
- **Skyline Car Park**– P120 \$2.00 per hour, pay and display 0800/1800 weekdays, all other times P120, no charges, enforced by patrols.

Pay & Display is pursued as the revenue it generates contributes to Council's agreed Botanic Gardens funding policy. The amendments reduce the projected revenue over 10 years from \$900K to \$545K

Limited weekday coupon parking is available on Upland Road. Other than a shorter time period, the resolution is also now consistent with current CBD metered parking.

Peak season pressure remains on the carparks at the Botanic Garden and needs to be managed to address equity of access and regular turnover for all users of the facilities, including Carter Observatory, Cable Car, Cable Car Museum and any business that operates out of the Skyline site. It is accepted that demand can be variable throughout the week, and that carparks are usually available at non peak times.

### **4. Conclusion**

This report recommends amendments to the Wellington City Council's Traffic Restrictions for Council's approval.
