## **Taunakitanga Officers' Recommendations**

Officers recommend the following motion

That the Pūroro Āmua | Planning and Environment Committee:

1. Receive the information.
2. Hear the oral submitters and thank them for their submissions.

## **Takenga mai**

### **Background**

3. Wellington City Council consulted the community on the section between Greta Point and Cobham Drive from 14 September 2021 to 15 October 2021.
4. Forums were proposed to submitters as an opportunity to have longer, more interactive conversations with Councillors, with the opportunity to ask questions and have a discussion about the proposals for Greta Point to Cobham Drive.
5. Given the Alert Level 2 requirements for local government meetings, in person forums were not a possibility. As such, this forum will be held online via Zoom.
6. Previous forums have been unable to be livestreamed and recorded, due to the availability of technology in the Council meeting room. Given this forum will be held online, staff are able to record the sessions and upload the recordings to the website retrospectively.
7. Most submitters welcomed the forum format, though one submitter expressed concerns about the use of Zoom. All submitters have been offered assistance with using Zoom prior to the meeting.

## **Kōrerorero**

### **Discussion**

8. A document comprising all of the speakers' submissions will be provided to committee members and published on the [wellington.govt.nz](http://wellington.govt.nz) website by 30 October 2021.

### **Next actions**

9. Elected members will deliberate on the information received from this forum and all written submissions at the Pūroro Āmua | Planning and Environment Committee meeting of 24 November 2021. The full submission document will be published alongside that meeting's agenda.
