Any other comments:

The Clifton area is too widely spread.  
Case-~~residents~~ Clifton permits around long driveway with  
The Terrace children are being parked in the Belmont  
Street area during business hours. The residents  
scheme is not intended for residents in one part  
of a parking area to one another; part of the area  
on a commuter car park. The Clifton area should  
be divided so that Salamanca Road south of the  
Kolman Pasado intersection in a separate area.  
(together with the Terrace etc)
