Appropriateness of legislative provisions

Stated goal

Reclassify the remainder of this site as Scenic B due to the significant visual features of the site and to protect the sites historic, archaeological and geological properties.

Legislation

Act	Reserves Act
Primary Section	19
Specific Section	(1) (b)

Section 19 (1) (b) reads;

“For the purpose of providing, in appropriate circumstances, suitable areas which by development and introduction of flora, whether indigenous or exotic, will become of such scenic interest or beauty that their development, protection, and preservation are desirable in the public interest.”
