*(1215/52/IM and 1215/10/01)*

---

**ELECTED MEMBERS' REMUNERATION: 2012/2013  
FINANCIAL YEAR**

---

**1. Purpose of Report**

To submit for the Committee's consideration and referral to Council for its approval, a proposal for the distribution of the 2012/2013 remuneration pool and the payment of expenses and allowances to the elected members of the Wellington City Council and the Tawa and Makara/Ohariu Community Boards.

**2. Executive Summary**

The Remuneration Authority has set the 2012/2013 elected members' remuneration pool (excluding the mayoral position) at \$1,250,336. This is an increase of \$11,570 on the 2011/2012 pool (an increase of 0.934%).

The Mayor's salary, which no longer forms part of the overall pool, has been increased from \$159,600 to \$161,600 (an increase of 1.25%).

The pool of \$1,250,336 is available for distribution among the Council's elected members (excluding the Mayor but including the elected members of the Tawa and Makara/Ohariu Community Boards). A recommended distribution of the pool is submitted for the Committee's consideration and referral to Council for its approval.

Once agreed, the Council's recommended proposal must be referred to the Remuneration Authority for its approval before the new salary rates can be implemented. The new rates will take effect on 1 July 2012.

The Council is also required to review its existing rules and policies for the reimbursement of expenses and the payment of allowances to its elected members and to submit those rules and policies to the Remuneration Authority for its approval.

Those rules and policies have been reviewed and are submitted for the Committee's consideration.

**3. Recommendations**

Officers recommend that the Strategy and Policy Committee:

  7. *Note that the Mayor has confirmed that she will not require a dedicated council vehicle to undertake her official mayoral duties and that the Remuneration Authority will be advised of this decision.*

8. *Agree to recommend to Council that the rules and policies for the reimbursement of expenses and the payment of allowances to elected members for the 2012/2013 financial year, as contained in **Appendix 2** of this report, are confirmed and that they be submitted to the Remuneration Authority for its approval.*

#### 4. Background

The Remuneration Authority recently advised that the remuneration pool for the elected members of the Wellington City Council (excluding the Mayor but including its community board members) will be \$1,250,336 for the 2012/2013 financial year. This is an increase of \$11,570 (i.e. 0.934%) on the size of the 2011/2012 pool.

The Mayor's salary for the 2012/2013 financial year has been fixed at \$161,600 pa, an increase of \$2,000 pa (i.e. 1.25%) on the salary the position currently attracts. This salary is set separately by the Remuneration Authority and no longer forms part of the overall remuneration pool.

The allocation of the 2011/2012 pool as determined by the Remuneration Authority, and the salary that is currently being paid to the Council's elected members, is as follows:

Mayor	\$159,600
pa	
Deputy Mayor	\$96,700 pa
Chair, Strategy and Policy Committee and Portfolio Leader	\$89,650 pa
Chair, Regulatory Processes Committee	\$84,585 pa
Chair, Grants Subcommittee	\$84,585 pa
Portfolio Leaders (x 9)	\$79,700 pa
Councillor	\$65,430 pa
Chair, Tawa Community Board	\$20,551 pa
Member, Tawa Community Board (x 5)	\$8,220 pa
Chair, Makara/Ohariu Community Board	\$13,155 pa
Member, Makara/Ohariu Community Board (x 5)	\$5,142 pa

The Council is now required to decide how the 2012/2013 pool is to be allocated and to forward its agreed proposal to the Remuneration Authority for consideration and approval. The approval of the Remuneration Authority is required before the Council can implement its proposed remuneration rates.

A summary of the remuneration framework and the Remuneration Authority's rules and principles that the Council is required to comply with is attached as **Appendix 1**.

The ongoing payment of allowances and the reimbursement of expenses to elected members also require the approval of the Remuneration Authority on an annual basis.

The Council is therefore required to submit for the Remuneration Authority's approval a copy of its proposed rules for the recovery of expenses by elected members. A copy of the proposed rules is attached as **Appendix 2**.

## **5. Discussion**

### **5.1 *Review of remuneration setting process***

In September 2011 the Remuneration Authority initiated its promised review of the process it currently uses for setting elected members remuneration with the release of a discussion document. The Council submitted its views on the issues raised in the document in November 2011.

The Remuneration Authority had hoped to have the review completed in time for the 2012/2013 remuneration round but it has now become clear that the level of engagement required with local government to ensure the smooth implementation of the review could not take place prior to July this year. The Authority intends to issue a response to the submissions to the review in the next few weeks and will engage with elected members through the latter half of the year.

The remuneration for the 2012/2013 financial year has therefore been set using the existing mechanisms with a view to implementing any new process in time for the 2013/2014 review.

### **5.2 *Decisions to be made***

In preparing its proposal the Council is required to make the following decisions:

- To decide whether the remuneration pool should be allocated on a salary only basis or whether it should be a mix of salary and meeting fees.
- To agree appropriate levels/rates for the different positions/roles on the Council and its community boards and, using that information, develop a proposal for the allocation of the money within the remuneration pool (excluding the Mayor's salary which is set by the Remuneration Authority).
- To confirm or reconfirm the basis on which any vehicle is supplied for the Mayor's use.
- To review and agree the rules and policies for the reimbursement of elected members' expenses and allowances.

### **5.3 *Basis of remunerating its elected members***

The Council has the option of paying its members on a salary only basis or a combination of salary and meeting fees. It has, with the agreement of the Remuneration Authority, chosen the salary only option since July 2003.

The major advantage of the salary only option is that elected members receive a regular income and know exactly what their annual salary is going to be. That model is still working satisfactorily and no requests have been received to change back to the salary/meeting fee option.

The rules set by the Remuneration Authority require all community board members to be paid an annual salary (i.e. there is no provision for the payment of meeting fees to community board members). Also a member of a territorial authority who is appointed to a community board is not entitled to be remunerated for both positions.

It is therefore recommended that the Council re-confirm the salary only model as its basis of remuneration for the 2012/2013 financial year.

The Council is required to meet at least 50% of the total salary costs for elected community board members from the remuneration pool. The rules do allow a greater percentage of those costs to be met from the pool and the Council has, since the 2009/2010 financial year and with the approval of the Remuneration Authority, agreed to meet the full (i.e. 100%) salary costs for community board members from within the pool.

The Council's decision to meet a higher percentage of the salary costs for elected community board members (above the mandatory 50%) from the pool results in a "saving" to the city's ratepayers (a "saving" of \$51,757 for the 2012/2013 year if the full 100% is met from the pool).

#### **5.4 *Distribution of the remuneration pool***

The Remuneration Authority is responsible for setting the size of the pool for local authorities throughout the country and individual Councils are required to recommend to the Authority how the pool should be allocated among its elected members. The Council's recommended allocation requires the approval of the Remuneration Authority before any new pay rates can be implemented.

The size of the pool is both the maximum and minimum amount that can be spent on elected members' remuneration and apart from in 2008, when exceptional circumstances prevailed, it has been mandatory for councils to allocate the full pool. The Council has no control over the size of the pool and is required to pay its members at the rates finally determined by the Remuneration Authority.

#### **5.5 *Distribution proposal***

The Remuneration Authority has confirmed that the Wellington City Council's elected members' remuneration pool for the 2012/2013 financial year (excluding the Mayor) will be \$1,250,366, an increase of \$11,570 (.934%). The Mayor's salary, which no longer forms part of the overall pool, has been fixed at \$161,600 pa.

A number of allocation options have been considered. Because the amount of "new" money available for distribution is relatively small (and the fact that the

governance structure and the individual roles and responsibilities have not changed since the last review in November 2010) it is recommended that the additional money be allocated on the following basis:

- apply a 3% salary increase for elected members of the Tawa and Makara/Ohariu Community Boards (totalling \$2,999 of the increase), and
- apply the balance (i.e. \$8,571) to the remaining elected members (excluding the Mayor) which will equate to an “across the board” increase of .75%.

The following remuneration proposal for the 2012/2013 financial year is therefore recommended for approval>

Mayor	\$161,600 pa
Deputy Mayor, Chair Performance Review Committee, Audit and Risk Management Subcommittee and Portfolio Leader	\$97,430 pa
Chair, Strategy and Policy Committee and Portfolio Leader	\$90,325 pa
Chair, Regulatory Processes Committee	\$85,220 pa
Chair, Grants Subcommittee and Portfolio Leader	\$85,220 pa
Portfolio Leader (x 9)	\$80,300 pa
Councillor	\$65,926 pa
Chair, Tawa Community Board	\$21,165 pa
Elected Member (x 5)	\$8,465 pa
Chair, Makara/Ohariu Community Board	\$13,550 pa
Elected Member (x 5)	\$5,295 pa

The proposal has been developed based on the following principles:

- the payment to be on a salary only basis for all positions
- the assumption that all Councillors work 40 hours a week on Council related business
- the existing committee structure with the following levels of responsibility

Mayor (salary determined by the Remuneration Authority)

Level 1	Deputy Mayor/Chair, Performance Review Committee, Chair, Audit and Risk Management Subcommittee and Portfolio Leader
Level 2	Chair, Strategy and Policy Committee and Portfolio Leader
Level 3	Chair, Regulatory Processes Committee Chair, Grants Subcommittee and Portfolio Leader
Level 4	Portfolio Leader (x 9)
Level 5	Councillor

(From previous discussions with the Remuneration Authority, it is clear that the Authority expect to see different pay rates for different positions, reflecting the size and complexity of these positions).

- the retention of the salary gap between portfolio leaders and Councillors with no chair or portfolio responsibilities at 82%
- all Portfolio Leaders remunerated at the same level
- the level of community board members' remuneration met from the pool retained at 100%

#### **5.6 Community Board decisions**

If timing has allowed for it, it has been the practice for these recommendations to be referred to the Tawa and Makara/Ohariu Community Boards for their consideration and input before a final decision on the Council's recommended proposal is made.

The recommended proposal will be considered by both the Tawa and Makara/Ohariu Community Boards at their next meeting (on 12<sup>th</sup> and 19<sup>th</sup> April 2012 respectively).

#### **5.7 Mayoral car**

The Mayor has confirmed that she will not require a dedicated council vehicle in undertaking her official mayoral duties.

This decision, which must be notified to the Remuneration Authority, has no effect on the level of remuneration received by the Mayor.

#### **5.8 Reimbursement of expenses**

The Council is required to review, on an annual basis, the rules and policies it applies for the reimbursement of expenses and the payment of allowances to its elected members. These rules and policies must be approved by the Remuneration Authority prior to their implementation by the Council.

The current rules and policies appear to be working satisfactorily and there is no proposal to recommend any changes to them at this time. It is therefore recommended that the Council's current rules and policies as outlined in the attached application form (**Appendix 2**) be confirmed and that the application be referred to the Remuneration Authority for its approval.

#### **5.9 Unanimity of the Council's decision**

In submitting its proposal the Council is required to notify the Remuneration Authority of:

- (i) details of any dissent at Council, and
- (ii) details of any dissent from either of its community boards.

A community board or any individual Councillor has the right to express any opposing views they might have on the Council's final proposal direct to the Remuneration Authority if they so wish.

If the Council's recommendations are unanimous and reasonable it is unlikely that the Authority will withhold its approval. It does however have the power to amend any proposal if the level of dissatisfaction is high or if the proposal is considered unreasonable.

## **6. Conclusion**

The Council is required to submit both its proposal for the distribution of the 2012/2013 indicative pool and its rules and policies for the reimbursement of expenses and the payment of allowances to its elected members' with the Remuneration Authority, by Monday 7 May 2012.

The new remuneration rates which will come into force on 1 July 2012 cannot be implemented until the Remuneration Authority has given its approval.

# APPENDIX 1

## **SUMMARY OF THE REMUNERATION FRAMEWORK - ITS RULES AND PRINCIPLES**

### ***Basis of the remuneration system***

- The Remuneration Authority approves a “remuneration pool” for each local authority, the size of which is determined on a number of consistent and transparent criteria (set by the Authority).
- The factors used by the Remuneration Authority to determine the size of the remuneration pool (for a territorial authority) are:
  - Population (50% weighting)
  - Operational expenditure (33% weighting)
  - Gross assets controlled (17% weighting)
  - Rate of population change
- The Mayor’s salary is set by the Remuneration Authority and does not form part of the pool.
- The indicative pool is available for distribution to the Council’s elected members, excluding the Mayor but including any community board members.
- There are two options available to Council for distributing the pool
  - A salary only model, or
  - A salary: meeting fee split (e.g. 75% salary and 25% meeting fee).
- All community board members must be paid a salary (i.e. the payment of meeting fees is not an option).

### ***General principles which apply***

- The size of the remuneration pool is both the maximum and minimum amount payable to elected members.
- All proposals must be approved by the Remuneration Authority prior to implementation.
- The maximum number of hours any individual member may be paid for is 40 hours per week (i.e. 2080 hours per annum).
- Different salary and meeting fee weightings, to those originally provided by the Remuneration Authority, may be proposed.
- Any divergent views of Councillors and community board members, in respect of the Council’s proposed allocation of the pool, must accompany the proposal submitted for the Remuneration Authority’s approval.

# APPENDIX 1

- The Remuneration Authority is under no obligation to approve any scheme and will look at each proposal on its merits. Any proposal that is likely to result in distortions in behaviour or lack of fairness in relativity will not be approved by the Authority.
- The Remuneration Authority will not determine how the remuneration for elected members should be funded.
- Any amendment to a determination requires the prior approval of the Remuneration Authority.
- All Councils are required to publish in their Annual Report:
  - the remuneration scheme adopted (i.e. salary or salary/meeting fee split)
  - the actual payments received by each elected member, and
  - the total amount of expenses reimbursed to each elected member.

## ***What remuneration is included in the pool?***

- The annual remuneration costs for the elected members of Council (excluding the Mayor).
- The total salary costs for any appointed community board members.
- At least half the salary costs for elected community board members. Up to 100% of these remuneration costs can be met from the pool.

## ***What remuneration is excluded from the pool?***

- The Mayor's salary, as determined by the Remuneration Authority.
- Meeting fees paid to elected members in respect of resource consent hearings.

**Note:** A member who acts as the chairperson of a resource consent hearing is entitled to a fee of \$100 per hour of hearing time. A member who is not the chairperson of the resource consent hearing is entitled to a fee of \$80 per hour of hearing time. For any period of hearing time that is less than one hour, the fee must be apportioned accordingly. These fees have been set by the Remuneration Authority.

- The costs incurred in the reimbursement of expenses (i.e. transport and communication allowances etc).
- The payment of Trustees/Directors fees to those elected members appointed to the Council's Council Controlled Organisations.

# APPENDIX 1

## ***Mileage allowances***

Where an elected member needs to use their own vehicle on council business, they can be paid a mileage allowance of up to 74 cents per kilometre but only if the distance travelled by the member on any one day exceeds the “threshold distance”. The “threshold distance” can be set by the local authority but must not be less than 30 kilometres.

A local authority may also pay a travel time allowance if the travel is on council business and is by the quickest form of transport available in the circumstances but only if the travel time of the member on the day exceeds the threshold time”. The threshold time can be set by the local authority but must not be less than 2 hours.

A member who can properly be regarded as being a full-time member is not entitled to be paid a travel time allowance.

## **Note**

The Council at its meeting on 26 March 2009 resolved to discontinue the payment of a mileage allowance to its elected members.
