
**PROPOSED TEMPORARY ROAD CLOSURE
IMPACT REPORT:**

**NORTHERN WELLINGTON FESTIVAL AND CHRISTMAS
PARADE – SATURDAY 4 DECEMBER 2010**

1. Description of Event

The Northern Wellington Festival (currently in its 15th year) will this year be held on the 4th and 5th of December. The highlight of the weekend of events is proposed to be the Lions Club of Johnsonville Christmas Parade to be held on Saturday 4 December 2010. This non-profit event is similar to that run in previous years and seeks to bring the community together in an enjoyable pre-Christmas celebration. The event is well supported by the community, including local businesses and the local Police. The Johnsonville Lions Club has a core of very dedicated members, organisers and experienced marshals who put a large amount of un-paid time and effort into this event. The Christmas Parade itself attracts thousands of spectators and involves many local participants and floats. The proposed road closures are required for the parade set-up, the parade itself and for the temporary traffic detour route.

The proposed road closures are: **Wanaka Street** (6am to 4pm); **Dr Taylor Terrace** (6am to 1:30pm); **Moorefield Road** (between Haumia Street and Johnsonville Road roundabouts – 10.45am to 12:30pm); **Moorefield Road** (between Johnsonville Road and Middleton Road roundabouts - 11am to 12:30pm); **Rotoiti Street** (closed to through traffic - 11am to 12:30pm); **Broderick Road** (Phillip Street to Johnsonville Road - 11am to 12:30pm); **Johnsonville Road** (from Fraser Avenue intersection to Moorefield Road roundabout – 11am to 12:30pm); **Frankmoore Avenue** (between Earp Street and Moorefield Road - 11am to 12:30pm). **No Parking 6.30am to 3pm** - Moorefield Road (western side from Wanaka Street to Frankmoore Avenue). **No Parking 7am to 1pm** - Bannister Avenue, Broderick Road (Bannister Avenue to Phillip Street), Phillip Street, Frankmoore Avenue (Phillip Street to Earp Street), Earp Street. **Detour Route** - Johnsonville Road, Fraser Avenue, Haumia Street, Bannister Avenue, Broderick Road, Phillip Street, Frankmoore Avenue, Earp Street, Ironside Road, Middleton Road and State Highway 1.

The event does cause some disruption to traffic in the area for a period of approximately 2 hours. There are also extensive no parking areas to allow for the traffic detour route, the parade route and the parade set-up. The temporary road closures, no parking areas, detour route and the Parade itself will be managed by a combined team of the local Police, Lions Club marshals, a professional traffic management company and Parkwise wardens. Council officers are working with the organisers to identify areas of the event that need

improvement from year to year. Pedestrian access will not be restricted and emergency services will have immediate access to the area if required.

Approved public information signage will be in place well ahead of the event. Residents affected by the road closures, detour and no parking areas will be notified by way of extensive letter drops and notification signage. Buses are diverted and a temporary bus stop will be erected outside the Post Office to replace the Railway Station stop (the same arrangement as previously used).

2. Rugby World Cup and Events Directorate Support

This is an annual community event that the Events Directorate has no objection to.

3. Proposal Notice

The public notice that the Council was proposing to consider these closures was published in the following newspaper:

- Dominion Post Saturday 7 August 2010

The New Zealand Police and Ministry of Transport have also been consulted.

4. Objections

No objections were received in response to the proposal notice.

5. Traffic Impact Assessment

Prior Closures

None of the proposed closures for this event will result in a road being closed for an aggregate of more than 31 days in any year.

Traffic Impact

In the opinion of Stuart Bullen, Senior Traffic Engineer, acting as the Council's Traffic Engineer, the proposed closure, if implemented according to the plans provided, is not likely to impede traffic unreasonably subject to the conditions stated below. However, the Council reserves the right to modify this opinion at any time. If, in the opinion of the Council, the closure may or does impede traffic unreasonably, any approval granted by the Temporary Road Closures Subcommittee may be revoked and the event organiser may be required to re-open the road at the direction of a suitably qualified Council officer in charge of traffic.

Conditions:

- The road closures for the parade only will start at 10:30am and finish at 1:00pm.
- The detour route is to be clearly signed during road closures.
- No public vehicular traffic will be allowed within the road closure area to ensure public safety is not compromised.

- The event organiser will publicise the event via media releases, letter drops and advanced signage to notify the public of the road closures.
- The event organiser is responsible for the ongoing maintenance of the temporary traffic management plan during the road closures.
- The event organiser is responsible for maintaining public safety within the road closure area.

Signed: 

Stuart Bullen
Senior Traffic Engineer

**PROPOSED TEMPORARY ROAD CLOSURE
IMPACT REPORT:**

**TRUST HOUSE TOUR OF WELLINGTON – SUNDAY 30
JANUARY 2011**

1. Description of Event

This proposed event comprises one stage (stage 6 - Wellington Criterium) of an international men's cycle tour sanctioned by the World Cycling Body and is organised by Jorge Sandoval, Director of Sandoval Promotions Ltd. The course is the same as those successfully held in early 2008, 2009 and 2010 (rained out). The event requires road closures on Sunday 30 January 2011, 12noon to 5.30pm on **Lambton Quay** (Bowen Street to Willis Street, except for traffic turning left from Brandon Street into Lambton Quay), **Ballance Street** (Lambton Quay to Stout Street), **Stout Street** (Lambton Quay to Ballance Street), **Waring Taylor Street** (closed to through traffic from Maginnity Street to Lambton Quay), **Johnston Street** (closed to through traffic from Lambton Quay to Featherston Street) and **Brandon Street** (closed to through traffic from Featherston Street turning right into Lambton Quay).

Local businesses and residents will receive at least 2 letter drops advising them of the event and the road closures. Road closure notification boards will be placed at each end of the closures at least one week prior to the event. The event is also to be advertised in the Our Wellington Page of the Dominion Post on the Tuesday preceding the event.

The event is to be traffic managed by a professional traffic management company. Pedestrian access will not be restricted and emergency services will have immediate access to the area if required. Public transport operators have been notified of the closures and temporary bus stops and detour routes will be in place.

2. Rugby World Cup and Events Directorate Support

The Trust House Tour of Wellington is a longstanding event in the region. The Events Directorate has no objection to this event.

3. Proposal Notice

The public notice that the Council was proposing to consider this closure was published in the following newspaper:

- Dominion Post Saturday 7 August 2010

The New Zealand Police and Ministry of Transport have also been consulted.

4. Objections

No objections were received in response to the proposal notice.

5. Traffic Impact Assessment

Prior Closures

None of the proposed closures for this event will result in a road being closed for an aggregate of more than 31 days in any year.

Traffic Impact

In the opinion of Stuart Bullen, Senior Traffic Engineer, acting as the Council's Traffic Engineer, the proposed closure, if implemented according to the plans provided, is not likely to impede traffic unreasonably subject to the conditions stated below. However, the Council reserves the right to modify this opinion at any time. If, in the opinion of the Council, the closure may or does impede traffic unreasonably, any approval granted by the Temporary Road Closures Subcommittee may be revoked and the event organiser may be required to re-open the road at the direction of a suitably qualified Council officer in charge of traffic.

Conditions:

- The event organiser is to publicly notify the event via letter drop, local newspaper advertisement, advanced signage and media releases.
- The event organiser is to ensure that the emergency services (Police, Fire and Ambulance Services) have been consulted with and that the Traffic Management Plan includes all of their specific requirements.
- The event organiser is to ensure that the affected property owners and businesses along the road closure are consulted with.
- The event organiser is to provide marshals at the road closure ends to ensure that public safety (interaction of traffic and spectators) is not compromised.
- Detour routes are to be provided during the road closure period.
- The event organiser is to work with the public transport operators to provide alternative public transport routes and bus stops.
