3.2 Other Roading matters

These items cover other roading works being carried out in the Makara – Ohariu area.

a) Takarau Gorge Road

The section of Takarau Gorge Road that has been damaged by the logging operation has been metalled as an interim measure and will be resealed once the logging operation is complete.

Design work has started for a retaining wall in Takarau Gorge to prevent the road being washed away over the coming winter.

b) Growth Cutting

Growth cutting has been completed on Takarau Gorge Road and Makara Rd.
