ROADING REPORT

1. Purpose of Report

To report to the Board matters raised by or of interest to the Community Board.

2. Recommendations

It is recommended that the Makara/Ohariu Community Board:

- 1. Receive the information.*

3. Information

3.1 Makara Road Improvement Project CX097 (\$56,100)

2006 – 2007 Projects

The following projects have been approved by the board for construction in the 2006/2007 financial year.

- 731 Takarau Gorge Rd – improvements to sight-lines. - \$20,000.00. Work on this project has been completed.
- Signage on the tight corner outside 365 Ohariu Valley Rd. - \$1,200.00. Work will be completed during the week starting 10 June 2007
- Works to the berm in front of St Patrick's Church. \$2,000.00. This work has started and will be completed during the week starting 10 June 2007

3.2 Other Roading matters

These items cover other roading works being carried out in the Makara – Ohariu area.

a) Takarau Gorge Road

The section of Takarau Gorge Road that has been damaged by the logging operation has been metalled as an interim measure and will be resealed once the logging operation is complete.

b) Culvert Clearance and Water table renewal

Some minor water table and culvert entrance cleaning will be carried out in June 2007.

c) South Makara Rd Repairs

We are planning to repair the road way on South Makara Rd south of the golf course in the next few months.

Report prepared by: Steve Wright (Project Manager Resurfacing)
