The blue arrows show general path of the storm surge. It was impeded by the nature reserve and funnelled into the carpark and along Makara Beach Road to Estuary Street. The red arrows depict where the damage occurred from this funneled water.

Blue – Areas reached by storm surge

Red – Property damaged caused by storm surge. All damage except the boatshed was from water that entered through the carpark or road

Yellow – Residential Flooding on Estuary Street from the water that was funneled into the community via the carpark and Makara Road

NOTE: All property behind the natural beach reserve is undamaged

Chair Report for Makara/Ohariu Community Board – April 2018

1. Reports from meeting held with residents held at Ohariu Hall regarding planning consent information supplied by planners have all been favourable. All agreed that there had been knowledge gained and useful to have.
2. Date to be confirmed for one to be held for Makara at April meeting.
3. Response regarding request for cleaning of toilet attached to Makara School Pool so that it can be left unlocked for public use. Council has responded and is arranging with contractor they currently use for cleaning of toilets at Makara Cemetery, and Makara Beach toilets to have the Makara School toilet added. Awaiting final confirmation, then will advise local bike groups such as Khandallah Tar Babies, and others that this facility is available for use.
4. Request for public participation from Makara Beach group on feedback from report residents provided on damage at Makara Beach. Brett Marley and three others attending April meeting.
5. Meeting with Maxine Rampton (Makara Playgroup) regarding Old School Building Lease expiry with WCC. They have been given extension to remove all items from premises until Friday 25th May. Have requested details on what will happen to this building and land from Council. (ongoing).
6. Organised Anzac Day service at Makara War Memorial and morning tea at Makara Hall following.
