Submission, to the New Zealand Transport Agency in respect of the proposal to amend speed limits on Takapu Road/Tawa Interchange as set out in TR1-08, from the Tawa Community Board

The Tawa Community Board agrees with the proposal but would wish to see the following amendments:

- Northbound off ramp from Wellington – transition from 100 km/hr to 50 km/hr to be further along the off ramp. Where the current temporary signs are, is adequate.
- Southbound on ramp to Wellington – transition from 50 km/hr to 100 km/hr to commence at the point that the road from Tawa merges with the road from Takapu Valley (besides the motorway).
