# We are proposing a change in your area

Kia ora,

This leaflet is to let you know about a change we are proposing to make in your neighbourhood.

## Proposal:

<b>Reference</b>	TR78-22 – Rembrandt Ave – No Stopping At All Times
<b>What we'd like to do</b>	<ul style="list-style-type: none"><li>• Install No Stopping At All Times on Rembrandt Avenue.</li></ul>
<b>Why we are proposing the change</b>	<ul style="list-style-type: none"><li>• Our Transport Engineering team received concerns regarding driveway accessibility from a resident of Rembrandt Ave.</li><li>• The resident's access to their driveway is hindered due to the parking space positioned directly in front of their driveway.</li><li>• Further to the enquiry from the resident, our transport engineers visited the site and have identified this unique layout of the driveway with respect to the location of the kerbside parking space.</li><li>• To improve accessibility for the resident, officers propose to install No Stopping At All Times broken yellow lines along this kerbside parking space.</li></ul>
<b>Location – where we propose to make the change</b>	Rembrandt Ave, Tawa – Outside nos.27 and 29
<b>Impact</b>	<ul style="list-style-type: none"><li>• Accessibility improvements to resident.</li><li>• Net parking impact - removal of one unrestricted parking space.</li></ul>
<b>How this relates to the parking policy</b>	<ul style="list-style-type: none"><li>• Support safe movement – facilitate the safe and efficient movement of people and goods by focusing on people moving along transport corridors rather than people parking or storing stationary vehicles.</li></ul>
<b>Additional Information</b>	<ul style="list-style-type: none"><li>• Low parking demand.</li><li>• Average daily traffic count: 230 vehicles.</li><li>• To view the legal description for this Traffic Resolution, an electronic copy of the report will be available on the Council's website from 9.00am Monday 11 April 2022 at <a href="https://www.letstalk.wellington.govt.nz/">https://www.letstalk.wellington.govt.nz/</a> or you can call (04) 499 4444 and we will send one out to you.</li></ul>

# We are proposing a change in your area

<b>Feedback</b>	<ul style="list-style-type: none"><li>• If you would like to provide us with specific feedback, which will be added to the Traffic Resolution following consultation and made public in full, you can do so by filling out an online submission form, downloading a printable submission form on <a href="https://www.letstalk.wellington.govt.nz/">https://www.letstalk.wellington.govt.nz/</a> or emailing us at <a href="mailto:trfeedback@wcc.govt.nz">trfeedback@wcc.govt.nz</a>. <b>Please note if you are giving feedback the consultation period opens at 9.00 am Monday 11 April 2022 and finishes at 5.00 pm Sunday 8 May 2022.</b></li><li>• What we do with your personal information: All submissions (<b>including your name</b>, but not contact details) are provided <b>in their entirety</b> to elected members and made available to the public on our website and at our office. Personal information (including contact details) will also be used for the administration of the consultation process including informing you of the outcome of the consultation. All information collected will be held by Wellington City Council, 113 The Terrace, Wellington, with submitters having the right to access and correct personal information.</li></ul>
<b>Next Steps</b>	<ol style="list-style-type: none"><li>1. Feedback collated by Monday 9 May 2022.</li><li>2. The proposal will go to the Regulatory Processes Committee on Wednesday 8 June 2022.</li><li>3. If approved, the proposal will be installed within the following three months.</li></ol>

### Taunakitanga Officers' Recommendations

Officers recommend the following motion

That the Tawa Community Board:

1. Receive the information.

---

## **Takenga mai**

### **Background**

3. The Tawa Community Board's Discretionary Fund is administered by Wellington City Council and for the 2021/2022 financial year the fund totals \$15,330.54 exclusive of GST.
4. At every Board meeting, the Board decides whether to make any payments from its Discretionary Fund for projects that directly benefit residents or organisations in Tawa. The payments are authorised by passing a resolution stating the amount of the payment/s, what the payment/s is to be used for and who it is they are going to.
5. The Board does not invite applications to the discretionary fund.
6. In February 2020 the Board clarified that they would not consider requests by families or individuals for memorials, including those of former Board members. The discretionary fund is seen as being primarily to meet local community needs.
7. As the fund is discretionary, there is no commitment by the Board to repeat funding to any group in future from this pool, even if regular payments have been made in the past.
8. The Board agreed that it may retrospectively approve funds of up to \$500 for one-off activities to cater for immediate needs via reimbursement. The retrospective vote will take place at the next Board meeting.
9. Accruals are for the cost of work completed by 30 June but not yet paid for. These must be for specific items or organisations.
10. Funds cannot be spent other than for the purpose(s) specified in the Board's resolution.
11. Members, who require reimbursement from the fund for approved expenditure, are to supply receipts and details of the expenditure on the reimbursement form.
12. Reimbursements will be paid on a monthly basis. Details and receipts need to be provided, preferably within two months of expenditure.
13. The Council officer will track Board resolutions which approve expenditure from the fund, and any accountability requested by the Board.
14. Motions requiring direct payment to an organisation or business will be actioned by the officer and in conjunction with the Chair, shall ensure an appropriate level of detail is kept on record.
15. Funds given to groups or organisations will require an appropriate level of accountability, with proof of expenditure and accompanying details of use reported back to the Board within six months.
16. Groups or organisations who have not previously received funds from the Board will be asked to provide evidence of good financial practice, or oversight from another established and trusted organisation.

### **Kōrerorero**

### **Discussion**

17. The Finance Team, in discussion with Democracy Services, have advised the following:
  - a. Once the General Ledger is closed off for the year ending 30 June, it is not possible to allocate transactions to the previous year's Discretionary Fund. In real terms, this means that any manual payment forms (reimbursements, donations et

cetera) received after 22 June or invoices received after 24 June will be paid out of the next year's Discretionary Fund.

- b. Unspent Tawa Community Board Discretionary Funds are not able to be carried over to a future financial year.

18. The remaining balance of the 2021/2022 Discretionary Fund at 30 April 2022 is \$6,872.54.

19. Attachment One is the annual breakdown of spending for the financial period of 2021/2022.
