

APPENDIX ONE

Part two: Our work in detail (activity statements)

How the following chapters are organised

In this section, you'll find detailed information about our plans for the next 10 years.

Our work is divided into seven strategic areas: governance; environment; economic development; cultural wellbeing; social and recreation; urban development; and transport.

In each chapter, you'll find information about: what we do; why we do it; the challenges we face, how much we expect it to cost; how we expect to pay; and how we'll measure whether we're doing it well enough.
