# 1 INTRODUCTION

## 1.1 General

This document sets out the terms of reference and delegations for the Wellington City Council, and its committees and subcommittees. It also sets out the responsibilities of and delegations associated with certain roles, including the Mayor, Deputy Mayor, Chief Executive, Committee and Subcommittee Chairs, and Portfolio Leaders.

The Council's business is wide-ranging, and it has obligations and powers under many statutes and regulations. It would be impossible for the full Council to deal with everything itself. Delegation to officers is necessary for the operation of the Council to be efficient and effective and achieve its objectives and for its service delivery to be timely and successful.

These terms of reference are intended to allow the Council to ensure that its powers and functions are exercised at a level commensurate with efficiency and effectiveness and the significance of the power or function.

A delegate is not obliged to exercise a power or function delegated to it. If a matter has become publicly or politically contentious, it may be appropriate for the delegate not to exercise the particular power or function and to refer the power or function back to the delegator. Provision is made for this in the Council delegations (Clause 24) and the delegations for the City Strategy Committee (Clause 40). The expectation is that the Mayor will be consulted and provide input into decisions by the delegate to refer a matter under these provisions.

## 1.2 Establishment of Committees

Under section 41A of the Local Government Act 2002 the Mayor has the power to establish the committees of the governing body and appoint the chairperson of each committee of the governing body before the other members of the committees are determined.

**Committee** includes, in relation to the Council:

- a. A committee comprising all the members of the Council;
- b. A standing committee or special committee appointed by the Council;
- c. A standing committee or special committee appointed by the Mayor;
- d. A joint committee appointed under clause 30 of Schedule 7 of the Local Government Act 2002;
- e. Any subcommittee of a committee described in items (a) (b), (c) or (d) of this definition; and
- f. A subordinate decision-making body, including Subcommittees and Forums.

The terms of reference and delegations to Committees and Subcommittees are set out in full in this document.

## 1.3 Iwi

The Council has statutory obligations to iwi and Māori, by virtue of the Treaty of Waitangi, in particular in relation to the Resource Management Act 1991 and Local Government Act 2002. Terms of Reference and Delegations for the 2016-2019 triennium, adopted by the Wellington City Council on 9 November 2016.

To recognise this critical relationship with iwi, Wellington City Council has Memoranda of Understanding (MOU) with two mandated iwi organisations – Port Nicholson Block Settlement Trust (PNBST) and Te Rūnanga o Toa Rangatira Incorporated (TOA).

Each MOU provides:

*“This Memorandum of Understanding provides for the strategic relationship between the parties and the opportunity for the Trust to contribute to Council decision making and to be a provider of leadership with Council for the City.”*

Iwi are non-voting members of the City Strategy Committee and the Long-term Plan and Annual Plan Committee. Iwi are to receive all papers.

An agreed iwi representative may attend these Committee meetings and may sit at the table and discuss and debate matters as a non-voting participating member of that Committee.

## **1.4 Quorum**

The terms of reference for each committee or subcommittee contain the quorum required. Generally (unless otherwise specified) a quorum is the presence of half of the members if the number of members is even, and a majority of members if the number of members is odd. Vacancies are not included in calculating the quorum.

Appointed members are included in calculating the quorum and are counted towards the quorum when present. This reflects the expectation that appointed members will attend those committees to which they are appointed.

Ex officio members are not included in calculating the quorum but are counted towards the quorum when present. This reflects the expectation that ex officio members will not always be able to attend all committees and forums but have full voting rights when present.

## **1.5 Advisory and Reference Groups**

Advisory and reference groups operate under separate terms of reference as approved by the City Strategy Committee (or its predecessor in an earlier triennium). Their role is to give advice and feedback to Council and provide a conduit to wider community views. The groups are part of the Council's governance processes and they report to the City Strategy Committee. The groups contribute to Council's established decision-making processes.

## **1.6 Ambiguity and Conflict**

In the event of ambiguity or conflict between any of the provisions contained in these terms of reference, with the result that there is uncertainty or dispute as to which Committee, Subcommittee or Portfolio has the delegated authority to act in respect of a particular matter, then the Mayor will decide in consultation with the Deputy Mayor and having received advice from the Chief Executive. The decision of the Mayor will be final and binding.
