Further, the individual performance of Trustees is monitored by the Wellington City Council (in respect of the two Council- appointed Trustees), and Cricket Wellington (in regards to the two Cricket Wellington-appointed Trustees).

The Trust acknowledges the need for ongoing professional development opportunities for Trustees, and encourages the undertaking of specialist training for identified needs. The Board will on an annual basis implement a programme that supports the identified needs. This may include programmes such as that offered by the NZ Institute of Directors (or similar) or specialist knowledge building from appropriate agencies.

C. THE NATURE AND SCOPE OF THE ACTIVITIES TO BE UNDERTAKEN BY THE GROUP

The principal objective of the trust is long term management of the Basin Reserve and to operate as a successful business, managed on a non-profit basis.

Strategic Direction.

The Basin Reserve Trust's vision for the Basin Reserve is for it to be recognised domestically and internationally as a premier cricketing venue, to be sustainable operationally and financially, and to contribute to the wider Wellington region in terms of provision and promotion of quality events.

To achieve this vision the following strategic goals have been identified:

- 1 To ensure the Basin Reserve is the leading cricket venue in New Zealand
- 2 To enhance the heritage value and character of the Basin Reserve
- 3 To maximise revenues from existing and new event opportunities.
- 4 To develop a close working relationship with the Wellington City Council event and recreation team in order to maximise event opportunities for the city.
- 5 To increase event programmes such that the venue is part of Wellingtons outdoor entertainment and event environment.
- 6 To manage the Basin Reserve and Wellington City Council assets efficiently and effectively.
- 7 To meet all public accountability and regulatory requirements.

Asset Management

The Trust has concluded the first step of an Asset Management Plan, with an Asset Condition Survey completed in November 2008. A number of repairs and maintenance deemed urgent or unsafe have been actioned.

The Trust now proposes to discuss the next step in the Asset Management Plan process with Council officers, with a view to settling a series of priorities and timelines over the next few months.

Community Use and Programme of Events

The Basin Reserve has enjoyed a wider use in recent times, beyond its core activity as a cricket ground. The Trust is mindful of the sense of connection that many Wellingtonians have with the Basin Reserve, and where it is available is seeking to increase the number of non-cricket activities that are held. In recent times this has included Carols by Candlelight and music concerts, with scope to establish and grow these key community events.

Council Events Objectives

The Trust will continue to develop its relationship with the WCC Events team (in particular), to identify any opportunities for non-sporting events. The two WCC-appointed Trustees also enjoy a strong operating (working) relationship with the WCC Events team, and as such are well positioned to identify, promote and progress any appropriate hosting and staging opportunities to the wider Trust to consider.

The Trust undertakes the following measures to manage identified risks.
