

Quarterly Review – Basin Reserve Trust

The Basin Reserve Trust has presented its report for the quarter ended 31 December 2010 for review. A summary of key findings is presented below and the full report is attached.

Highlights

- The Trust continues in its efforts towards securing a naming rights sponsor for the venue
- Work continues on the Asset Management plan commissioned from Shand Shelton. The completed report is expected in February. It is expected that this will show a significant amount of work is required on the Basin in the coming years.
- The WRFU has approached the Trust to use the Basin Reserve as the base for the Lions during RWC2011
- The Trust has received advice that the Museum Stand needs earthquake strengthening. WCC is assessing the extent of this.

Performance

Macro Key Performance Indicators

The following KPIs have been reported by the Trust.

Measure	Annual Target	Q2 Target	Q2 Actual
No. of events	27	4	10
No. of event days	45	13	17
Cricket surface to international playing standard	measured annually		
Event income - \$	\$100,000	7,000	5,000
Non-event income - \$	75% of total income	69%	92%

- Event income is low because currently there is no charge levied on cricket matches other than test matches. The board currently is reviewing the situation.

Activities during the quarter

- The cricket oval received its annual renovation ahead of the club cricket season
- 2 x 4-day first class cricket matches
- 5 x Twenty20 first class cricket matches
- 1 x Governor General's annual cricket match
- NZ Police dog training exercise (1 day)
- Production of the tele-movie "Tangiwai" took place over 2 days at the venue

Financial Commentary

- Trust made an operating deficit of \$122k after allowing for depreciation of \$64k. This is unfavourable to a budgeted deficit of \$93k
- The unfavourable income variance reflects low bookings of the Monstavisation replay screen, which itself is a reflection of the post-recession market. The Trust is confident of stronger interest during Rugby World Cup. Income from signage is below budget by \$23k, due in part to the loss of the naming rights sponsor (\$15k). The "Gold Membership" scheme, undertaken by the Trust to make up for the shortfall of income, incurred marketing costs of \$11.5k.
