Dear Alan

**RE: Statement of Intent (SOI) 2013-14**

Thank you for your letter of April 11, 2013 regarding the Wellington Zoo Trust's Statement of Intent for 2013-14.

Our final SOI addresses the specific issues for the Trust which you have raised in your letter including further comment on the quarterly visitor targets, three years of performance targets and our approach to the Council's Accessibility Action Plan.

The Trust looks forward to continuing the positive working relationship we have with Council to create a Zoo we can all be proud of. We greatly appreciate the capital investment Council is making to the Zoo for the completion of the ZCP.

We are looking forward to an exciting year for Wellington Zoo as we continue to connect people with nature.

Yours sincerely
