

Let's Clear the Air

HELP US MAKE
WELLINGTON *by*
SMOKEFREE *2025*

We are making more places smokefree. Bus stops, Civic Square, Botanic Garden, cafés, laneways and outside council buildings like libraries, swimming pools and recreation centres. If you want to smoke it's your choice, but please avoid the smokefree areas.

Help make Wellington smokefree by 2025 - Let's Clear The Air.
