THE SPECIFIC PROVISIONS OF PROPOSED DISTRICT PLAN CHANGE 77 THAT MY SUBMISSION RELATES TO ARE AS FOLLOWS *(Please continue on separate sheet(s) if necessary.)*

<ul style="list-style-type: none">- reduction of vegetation for flora and fauna- pollution resulting from light, noise and fumes- construction of a single building for the benefit of one- the heart of a residential area between Karori and Northland which the council sold should be used for the benefit of the residents
--

MY SUBMISSION IS THAT

(You should include whether you support or oppose the specific provisions or wish to have them amended. You should also state the reasons for your views. Please continue on separate sheet(s) if necessary.)

I oppose the rezoning of the residential open space zoning to business 2 due to the effects it has on the surrounding quiet, residential communities of Northland, Wilton and Karori and the flora and fauna within.

Disagree with the noise assessment undertaken by Matthew Borich as I hear sound echoing and rising up and across this gully. Bird song can be heard (tui, fantails, kaka, blackbirds...), glow worms live there, and there should be a stream flowing through it linking to those in Karori Sanctuary and Otari bush. Flora and fauna flourish. What chance have these creatures of survival if we take away their natural habitat where they have insects to feed on and places to nest? Surrounding residents look out over this peaceful green area. We don't want to listen to cars, trucks and smell the exhaust fumes nor does the childcare centre next door.

Consideration should be given to keeping large scale development in areas which are already unsuitable for residential living, e.g. near motorways, airports and railways.

Preservation of old Karori Road.

Is this a flood path for Karori Reservoir?

WE SEEK THE FOLLOWING DECISION FROM THE COUNCIL *(Please give precise details.)*

- Zone this an Open Space B area
- The council repurchase the land and have it maintained in keeping with the surrounding area – Karori Wildlife Sanctuary to Otari.
- Maintain green corridors exist between Otari, Zealandia and surrounding areas.
- Consider walkways and cycleways through this area.
- Is there an allocation for recreation and business land set aside in Karori West area?
