

Summary of Submissions

Proposed District Plan Change 64
Amendments to Kiwi Point Quarry provisions
Wellington City District Plan
Clause 7 of First Schedule, Resource Management Act 1991

Wellington City Council has prepared a summary of submissions on proposed District Plan Change 64. The proposal calls for amendment to existing quarry provisions, including:

- rationalisation of current District Plan rules. Through the merging of rules, a more comprehensive set of provisions will manage the quarry more effectively
- rezoning of areas required for quarrying
- implementation of a Quarry Management Plan (including provisions for rehabilitation) as part of the relevant District Plan policy, rather than as rules
- modification to the buffer area along the northern boundary providing continued protection for adjoining residents and activities.

The summary document is now available for public inspection at:

- **Wellington City Council Service Centre, 101 Wakefield Street**
- **City Libraries**
