**NOTICE OF PERSON'S WISH TO BE PARTY TO PROCEEDINGS**

**To:** the Registrar  
Environment Court  
Wellington

CentrePort Limited wishes to be a party to the following proceedings:

**ENV-2024-WLG-000027**

CentrePort Limited made a submission about the subject matter of the proceedings].

CentrePort Limited is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

CentrePort Limited is interested in the following particular issues:

The decision to include the definition of 'reverse sensitivity' within the Definitions Chapter of the PDP and the relief sought by Kāinga Ora that the definition be deleted or alternatively be redrafted by deleting the reference to the development and upgrading of an existing lawfully established activity.

CentrePort Limited **opposes** the relief sought by Kāinga Ora because:

Reverse sensitivity is an environmental effect that must be carefully managed to order to protect port operations (defined as "Regionally Significant Infrastructure", which with respect to Cook Strait ferry operations at Kaiwharawhara are of national significance).

CentrePort Limited agrees to participate in mediation or other alternative dispute resolution of the proceedings.
