Minute 22:

Protection of Sensitive Information

1. At the end of Day 5 of the Stream 3 hearing, we heard from Dr Sophie Kahn in support of her submission on the PDP- seeking that her home at 53 Treliissick Cres not be the subject of heritage listing.
2. Dr Kahn sought to maintain the confidentiality of sensitive personal information and we made a verbal order to that effect.
3. The purpose of this Minute is to confirm our direction that sensitive commercial information provided to us by Dr Kahn not be the subject of publication or communication save for the purposes of our hearing of submissions on the PDP. This order is made pursuant to section 42(2)(b) of the RMA, our being satisfied that broader communication of the information supplied to us would give rise to unreasonable prejudice to Dr Kahn and her family and that that prejudice outweighs the public interest in making that information available more broadly.
4. Our jurisdiction to make an order does not extend to other personal information Dr Kahn provided to us. We can only request that parties to the PDP process respect Dr Kahn's privacy in that regard.
