From: Stewart McKenzie, District Plan Advisor
Cc: Michael Duindam, District Plan Manager; Jamie Sirl, Hearing Stream 8
Reporting Officer

Subject: Hearing Stream 8 – Public Access Chapter – minor correction to Policy PA2 Maintenance and Enhancement of Public Access

1. The Council reporting officer for Public Access, Mr Sirl, has become aware of an error in his recommended amendments to the Public Access Chapter, as set out in Appendix A to his right-of-reply published on 7 June 2024.
2. Policy PA-P2 (2) 'Maintenance and enhancement of public access' refers to Subdivision Policy SUB-P8, however as a result of amendments to the now operative Subdivision Chapter, the reference should instead be to Subdivision Policy SUB-P9.
3. Council is bringing this error to the IHP's attention so the amendment can be incorporated into the IHP's recommendations on the Public Access Chapter when it reports back to Council.
4. Council apologises for this error, and trusts the suggested amendment can be easily incorporated.

Yours Sincerely

Stewart McKenzie
District Plan Advisor
Wellington City Council
