Subject: Request for time extension - Hearing Stream 7 Rural Zone s.42A report

1. On the 20th of October 2023, in paragraph 7 of its Minute 38, the Hearings Panel set out that s.42a reports for Hearing Stream 7 would be published on 20 February.
2. Council officers have been diligently assessing and responding to submissions on the Rural Chapter. Unfortunately, officers have determined that more time is required to complete the s.42A report due to the complexity of issues that have been submitted on. As such, Council requests an extension to the publishing of the Hearing Stream 7 Rural Zone s.42A report of **two working days** until **22 February**.
3. To not prejudice submitters, Council Officers seek an extension of time for submitter evidence to be lodged by submitters by **two working days** (from 5 March to 7 March). This arrangement would not impact on the proposed hearing date.
4. Council Officers would be most grateful if this further extension were granted.

Yours Sincerely,

Michael Duindam
Manager, District Planning
