Wellington International Airport Ltd	406.495	General District wide Matters / Temporary Activities / General TEMP	Amend	Considers that an advice note should be included in the introduction of the temporary activity chapter drawing plan users attention to the presence of the OLS designation and the need to adhere to its requirements, in addition to those set out in the Temporary Activities chapter of the Proposed Plan. [See paragraphs 4.111 to 4.113 of original submission for full reason]	Amend TEMP chapter introduction as follows: ... <u>Temporary activities involving temporary structures such as cranes in the vicinity of Wellington International Airport are also drawn to the requirements of the Wellington International Airport Obstacle Limitation Surface designation.</u>	Reject	No
Fire and Emergency New Zealand	273.165	General District wide Matters / Temporary Activities / New TEMP	Amend	Considers that to ensure an efficient and effective emergency response, firefighter training is an essential activity undertaken by FENZ. Firefighter training may include live fire training and equipment training both on and off site. The FENZ's Statement of Performance Expectations (SPE) 2021/22 confirms a commitment to the Government that all firefighters achieve a certain level of training. In order to ensure an efficient and effective emergency response, firefighter training is an essential activity undertaken by FENZ. Firefighter training may include live fire training and equipment training both on and off site. It is noted that 'emergency service activities' are provided for in the various zones of the district, however, does not explicitly provide for temporary emergency services training activities. FENZ therefore seeks that the DP clearly provides FENZ the ability to undertake firefighting training activities throughout the city. This will assure that any adverse effects of temporary activities are managed in accordance with community expectations.	Add new TEMP policy: <u>TEMP-PX :</u> <u>Temporary Emergency Services Training Activities</u> <u>Enable temporary emergency services training activities in all zones provided any adverse effects are managed in accordance with community expectations.</u>	Reject	No
Fire and Emergency New Zealand	273.166	General District wide Matters / Temporary Activities / New TEMP	Amend	Considers a rule should be added to allow for live fire training and equipment training both on and off site for temporary durations, subject to conditions.	Add new TEMP rule: <u>TEMP-RX</u> <u>Temporary emergency services training activities (All Zones)</u> <u>1. Activity status: Permitted</u> <u>Where:</u> <u>a. The activity is limited to a period of two days, excluding set-up or pack-down activities, which can occur up to one week prior to commencement and up to one week following completion of the temporary emergency services training activity.</u> <u>2. Activity status where compliance not achieved: N/A</u>	Reject	No
Te Rūnanga o Toa Rangatira	488.71	General District wide Matters / Temporary Activities / TEMP-P3	Support	Supports that the policy recognises the need to engage with mana whenua when temporary activities are to take place on culturally significant land to ensure that these areas are not negatively affected. Te Rūnanga o Toa Rangatira	488.72	General District wide Matters / Temporary Activities / TEMP-P4	Support	Supports that the policy recognises the need to engage with mana whenua when temporary activities are to take place on culturally significant land to ensure that these areas are not negatively affected.	Retain TEMP-P4 (Mana whenua) as notified.	Accept	No
New Zealand Defence Force	423.21	General District wide Matters / Temporary Activities / TEMP-P5	Amend	Considers that it is crucial for the District Plan policy framework to enable temporary military training activities to be undertaken where the adverse effects on amenity values of the site or surrounding area are remedied or mitigated. Supports the intent of this Policy, but requests Council adopt a clearer wording of this Policy.	Amend TEMP-P5 (Temporary military training activities) as follows: Enable temporary military training activities where they remedy or mitigate their adverse effects on the amenity values of the site and the surrounding area are <u>remedied or mitigated</u> .	Accept	Yes
Massey University	253.15	General District wide Matters / Temporary Activities / TEMP-R1	Support	[No specific reason given beyond decision requested - refer to original submission]	Retain TEMP-R1(1) (Temporary activities, excluding short term filming and temporary military training activities) as notified. New Zealand Defence Force	423.24	General District wide Matters / Temporary Activities / TEMP-R3	Amend	<p>Rule TEMP-R3.1 provides for TMTA (Temporary Military Training Activities) as a permitted activity in the following zones:</p> <ul style="list-style-type: none"> - Open Space Zones; - Rural Zones; - Port Zone; and - General Industrial Zone. <p>TMTA in all other zones is a restricted discretionary activity in accordance with Rule TEMP-R3.3.</p> <p>NZDF opposes Rule TEMP-R3.1 on that basis that it is appropriate to provide for TMTA as a permitted activity in all zones subject to compliance with the relevant permitted activity standards. As outlined in the introduction to this submission, NZDF must undertake training in a range of activities and locations in order to fulfil its statutory obligations under the Defence Act 1990. TMTA can involve a broad range of activities including classroom activities, search and rescue, driver training, dog training, small construction tasks, and many others that have effects similar to other day-to-day activities. Due to the nature of TMTA and the need for NZDF to train in unfamiliar realworld situations, TMTA may be undertaken in any zone within a city / district. TMTA are entirely appropriate within all zones where the noise standards are met, and the permitted activity standards are complied with.</p> <p>Including a permitted activity rule that provides for TMTA in all zones in Wellington City would also ensure a consistent approach to TMTA is adopted nationwide. Many district plans around the country are being or have been reviewed and NZDF is engaging in those review processes to ensure that where training activities might be subject to controls through a district plan, those controls are consistent and that compliance is simply achieved and assessed.</p>	Seeks amendment to TEMP-R3.1 (Temporary military training activities) to explicitly provide for temporary military training activities as a permitted activity in all zones subject to compliance with permitted activity standards.	Accept in part	Yes
New Zealand Defence Force	423.25	General District wide Matters / Temporary Activities / TEMP-R3	Amend	NZDF notes that the reference to "Port Zone" should be updated to refer to "Special Purpose Port Zone".	Seeks amendment to TEMP-R3.1 (Temporary military training activities) to change "Port Zone" to "Special Purpose Port Zone".	Reject	No

Buildings or structures constructed as part of TMTA should not be required to be removed when they are intended to be permanent and meet relevant permitted activity rules in the Plan (or otherwise a resource consent is obtained).</p>	<p>Amend TEMP-R3.1.b (Temporary military training activities) as follows:</p> <p>...</p> <p>b. New Zealand Defence Force	423.29	General District wide Matters / Temporary Activities / TEMP-R3	Amend	Opposes Rule TEMP-R3.2 on the basis that any TMTA that cannot comply with the requirements of TEMP-R3.1 should be a controlled activity for the reasons outlined above with respect to Rule TEMP-R3.1 (submission point 21).	Seeks that TEMP-R3.2 (Temporary military training activities) is amended to provide for temporary military training activities that does not comply with the requirements of TEMP-R3.1 to be a controlled activity (noting that temporary military training activities should be provided for as a permitted activity across all zones).	Reject	No
New Zealand Defence Force	423.30	General District wide Matters / Temporary Activities / TEMP-R3	Support	NZDF supports any resource consent applications made in respect of Rule TEMP-R3.2 being precluded from public notification as per the activity status note.	Retain TEMP-R3.2 (Temporary military training activities) as notified with respect to the notification clause that precludes public notification.	Accept	No

New Zealand Defence Force	423.31	General District wide Matters / Temporary Activities / TEMP-R3	Oppose	<p>Opposes TEMP-R3.3 on the basis of the proposed changes to Rules TEMP-R3.1. and R3.2.</p> <p>Opposes TEMP-R3.3 on the basis that it is appropriate to provide for TMTA as a permitted activity in all District Plan zones subject to compliance with the permitted activity requirements. In addition, the submitter considers that where TMTA do not achieve compliance with the requirements of TEMP-R3.1, they should be a controlled activity. As outlined in the introduction to their submission, NZDF must undertake training in a range of activities and locations, as outlined in the introduction to this submission, in order to fulfil its statutory obligations under the Defence Act 1990. Training activities are carried out "off-base" for a variety of reasons including diversity and realism. Skills that are learned and practiced "on-base" must be tested or extended in unfamiliar contexts "off base". Due to the broad nature of TMTA and the need for NZDF to train in unfamiliar real-world situations, they may be undertaken in any zone within a district. Therefore, it is important to NZDF that TMTA are provided for in all zones in a district plan. In many respects, TMTA are identical to, and not discernible from, day-to-day and training activities carried out by other emergency services and civilian organisations, such as the Police Force, search and rescue organisations and Fire and Emergency NZ, which are provided for as a permitted activity in the majority of District Plan zones, subject to compliance with the relevant standards.</p>	Delete Rule TEMP-R3.3 (Temporary military training activities) in its entirety.	Reject	No
New Zealand Defence Force	423.32	General District wide Matters / Temporary Activities / TEMP-R3	Oppose	<p>Opposes the notification direction set out in Rule TEMP-R3.3, which requires that an application for resource consent made in respect of Rule TEMP-R3.3 must be publicly notified, for the reasons outlined above in submission.</p> <p>Temporary Military Training Activities (TMTA) are identical to, and not discernible from, day-to-day and training activities carried out by other emergency services and civilian organisations, such as the Police Force, search and rescue organisations and Fire and Emergency NZ, which are provided for as a permitted activity in the majority of District Plan zones, subject to compliance with the relevant standards. Applications for TMTA made with respect to Rule TEMP-R3.3 should not be subject to a blanket requirement for public notification.</p> <p>A notification determination should be made based on an assessment of individual TMTA proposals, noting TMTA can vary in nature, scale and duration. Assessment should involve consideration of the proposal with respect to the subject site, surrounding environment, proposed effects, along with measures to avoid, remedy or mitigate adverse effects, in order to reach a conclusion on the overall level of effects in terms of Section 95 of the Resource Management Act 1991. A presumption of blanket public notification for all resource consent applications for TMTA made in respect of Rule TEMP-R3.3 is not appropriate, nor does it reflect an 'effects-based' approach as anticipated by the RMA.</p>	Seeks that the requirement for public notification of a resource consent application made in respect of TEMP-R3.3 (Temporary military training activities) is deleted in its entirety.	Reject	No
Massey University	253.16	General District wide Matters / Temporary Activities / TEMP-R4	Support	[No specific reason given beyond decision requested - refer to original submission]	Retain TEMP-R4(1) (Emission of noise from a temporary activity excluding military training activities) as notified. Paihikara Ki Pōneke Cycle Wellington	302.32	General District wide Matters / Temporary Activities / TEMP-S1	Amend	Considers that cycleways are generally not considered when setting conditions to manage temporary activities leading to poor safety outcomes. Only requiring the efficiency of the transport network to be considered as a part of assessment criteria does not address the increased risk to cyclist safety.	<p>Amend the Assessment Criteria in TEMP-S1 (Maximum duration of a temporary activity excluding short-term filming activities and temporary military training activities) as follows:</p> <p>1. The extent to which the nature, intensity and scale of the activity adversely effects: a. Amenity values; and b. The safety and efficiency of the transport network, including on pedestrians, and cyclists <u>and</u> cycle and micromobility facilities.</p>	Accept in part	Yes
New Zealand Defence Force	423.35	General District wide Matters / Temporary Activities / TEMP-S1	Support	NZDF supports that the title of activity standard TEMP-S1, which clarifies that this standard does not apply to TMTA.	Retain title of TEMP-S1 (Maximum duration of a temporary activity excluding short-term filming activities and temporary military training activities) as notified.

Paul Yates	26.2	General District wide Matters / Temporary Activities / TEMP-53	Oppose	Considers that TEMP-53 places restrictions on the hours of operation that short-term filming activities can take place. To finish at 10pm/11pm would be too restrictive for a lot of film and TV productions that often need to film night scenes and maximise night time by starting later and shooting entire 'days' through the night.	Seeks that the noise restrictions at TEMP-53 (House of operation) are not applied to short film activities.	Reject	No
Massey University	253.19	General District wide Matters / Temporary Activities / TEMP-53	Support	[No specific reason given beyond decision requested - refer to original submission]	Retain TEMP-53 (Hours of operation) as notified.	Accept	No

Accept	No
New Zealand Defence Force	423.36	General District wide Matters / Temporary Activities / TEMP-54	Support	NZDF supports that the title of activity standard TEMP-54, which clarifies that this standard does not apply to TMTA.	Retain title of TEMP-54 (Maximum noise levels – activity specific, excluding temporary military training activities) as notified.	Accept	No
New Zealand Defence Force	423.37	General District wide Matters / Temporary Activities / TEMP-56	Amend	Considers that TEMP-56 should apply to all zones within the Proposed District Plan as opposed to the four listed zones (as per NZDF's submission on rule TEMP R3.1).	Seeks that TEMP-56 (Temporary military training activities) applies to all District Plan zones, not just the four expressly listed zones.	Accept	Yes
New Zealand Defence Force	423.38	General District wide Matters / Temporary Activities / TEMP-56	Amend	<p>Temporary Military Training Activities are by their very nature temporary, ranging from a period of days through to several weeks on an intermittent or continuous basis depending on the nature of the activity. NZDF does not consider it necessary or appropriate to impose a time limit on TMTA as per TEMP-56.1.</p> <p>However, NZDF would support an amendment to this standard to allow TMTA to be undertaken so as not exceed a period of 31 consecutive days (excluding set up and pack down activities). This would also ensure a consistent approach to TMTA is adopted nationwide. Many district plans around the country are being or have been reviewed and NZDF is engaging in those review processes to ensure that where training activities might be subject to controls through a district plan, those controls are consistent and that compliance is simply achieved and assessed.</p>	<p>Amend TEMP-56.1 (Temporary military training activities) as follows:</p> <p>The duration of the activity must not exceed a period of 14-31 consecutive days (excluding set up and pack down activities);</p> <p>...</p>	Accept in part	Yes
New Zealand Defence Force	423.39	General District wide Matters / Temporary Activities / TEMP-56	Oppose	Opposes TEMP-56.2, which states that no TMTA is to be undertaken on Sundays. As outlined in submission, given the nature of TMTA, some activities may need to be undertaken at the weekend, including Sunday, on a continuous basis over the period of several weeks. Providing the TMTA complies with the relevant permitted activity standards and the noise standards for TMTA in Table 26 – APP6, there should be no reason that TMTA could not be undertaken on a Sunday.	<p>Amend TEMP-56 (Temporary military training activities) as follows:</p> <p>Temporary Military Activities</p> <p>...</p> <p>2. No activity to be undertaken on Sundays;</p> <p>...</p>	Accept	Yes
New Zealand Defence Force	423.40	General District wide Matters / Temporary Activities / TEMP-56	Oppose	<p>The assessment criteria listed under TEMP-56 are not considered suitable or appropriate given the inherent nature of TMTA. The only effect from TMTA which requires specific management is noise. In this regard, NZDF have developed appropriate controls to manage noise effects from TMTA outlined in submission point 36 below.</p> <p>Given the nature of TMTA (i.e. that they are not public events held in public spaces and outdoor events venues, such as the waterfront, as are most other activities provided for under the Temporary Activities chapter of the Draft District Plan) it is not appropriate to require TMTA resource consent applications to consider the adverse effects on pedestrian health and safety, traffic generation and effects on the transport network and public access (assessment criteria 1, 5 and 6). Depending on the nature of a TMTA, they may not involve any traffic movements nor effects on pedestrians.</p> <p>The assessment criteria as notified are very specific in nature and may be more appropriate for other temporary events, such as parades held on public streets or in public spaces, or community, recreational or sporting orientated events but are not considered to be relevant to TMTA, which is very tightly managed given the nature of NZDF's activities.</p>	Delete Assessment Criteria 1 in TEMP-56 (Temporary military training activities).
