

Friends of Owhiro Stream

Submission to
Proposed District Plan Review

July 2024

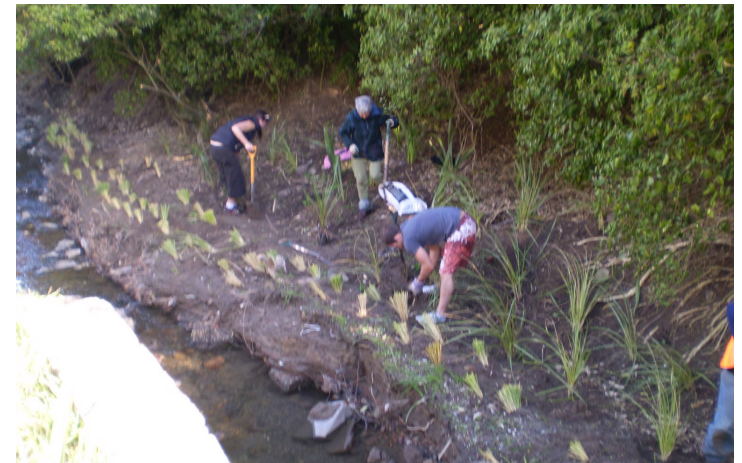

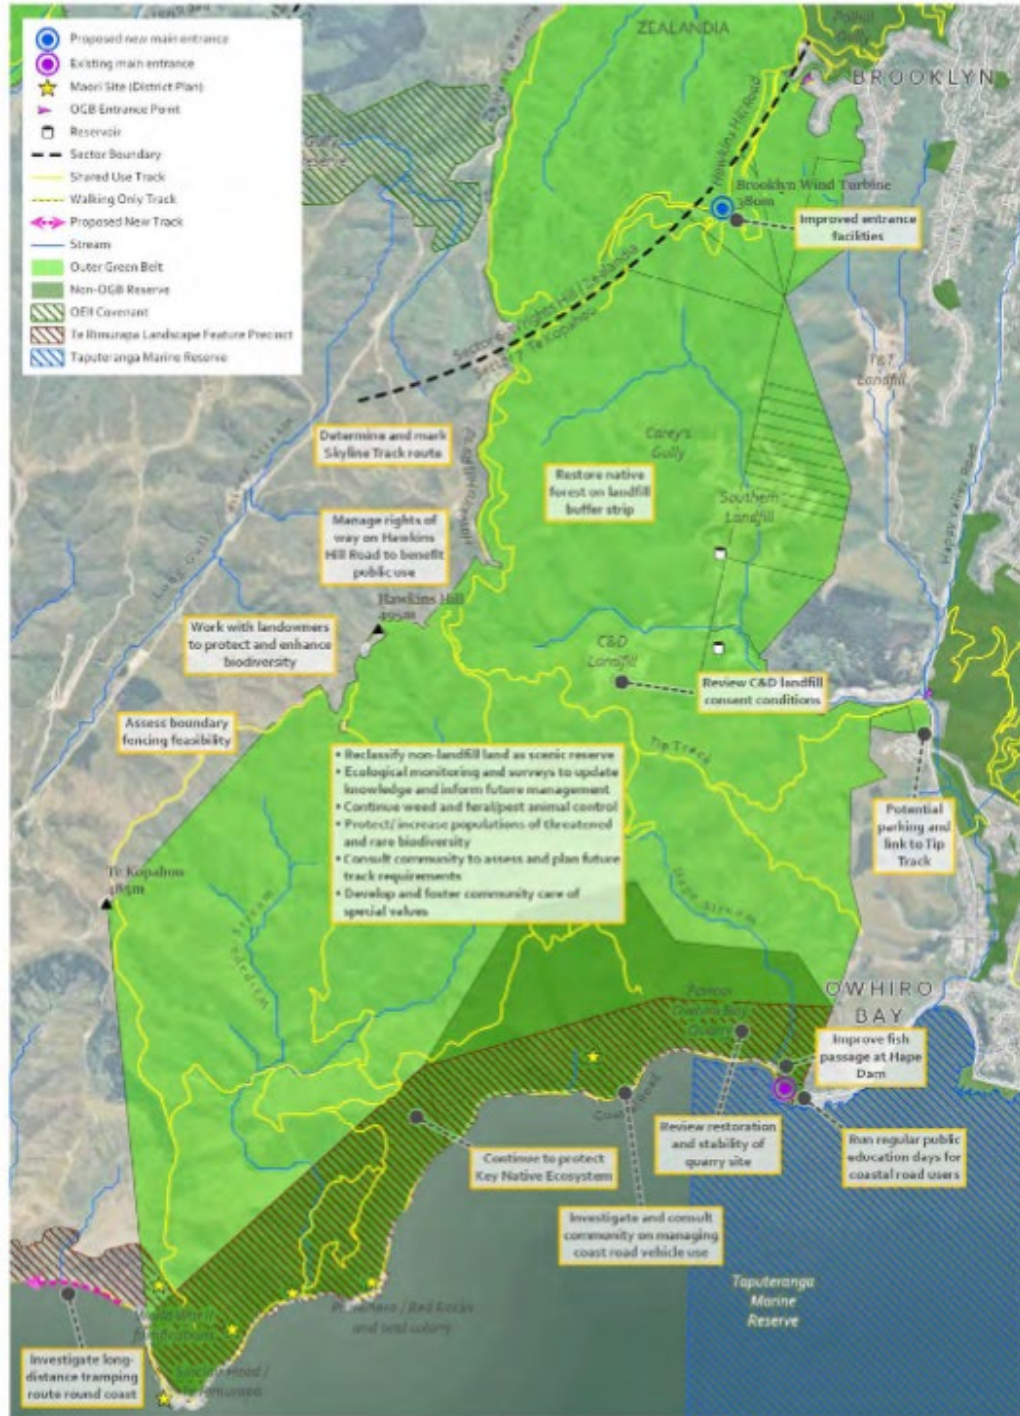

Figure 1: Map of the Owhiro Stream catchment.

WCC Outer Green Belt Management Plan

Sector 7: Te Kopahou - Future Initiatives

Scale: 1:24,000

Scale: 0 0.3 0.5 1 KM

**Protecting Ōwhiro Stream's
fragile ecosystems**

Ka ora te wai, ka ora te whenua
Ka ora te whenua, ka ora te tangata

If the water is healthy, then the land is healthy
If the land is healthy, then the people are healthy

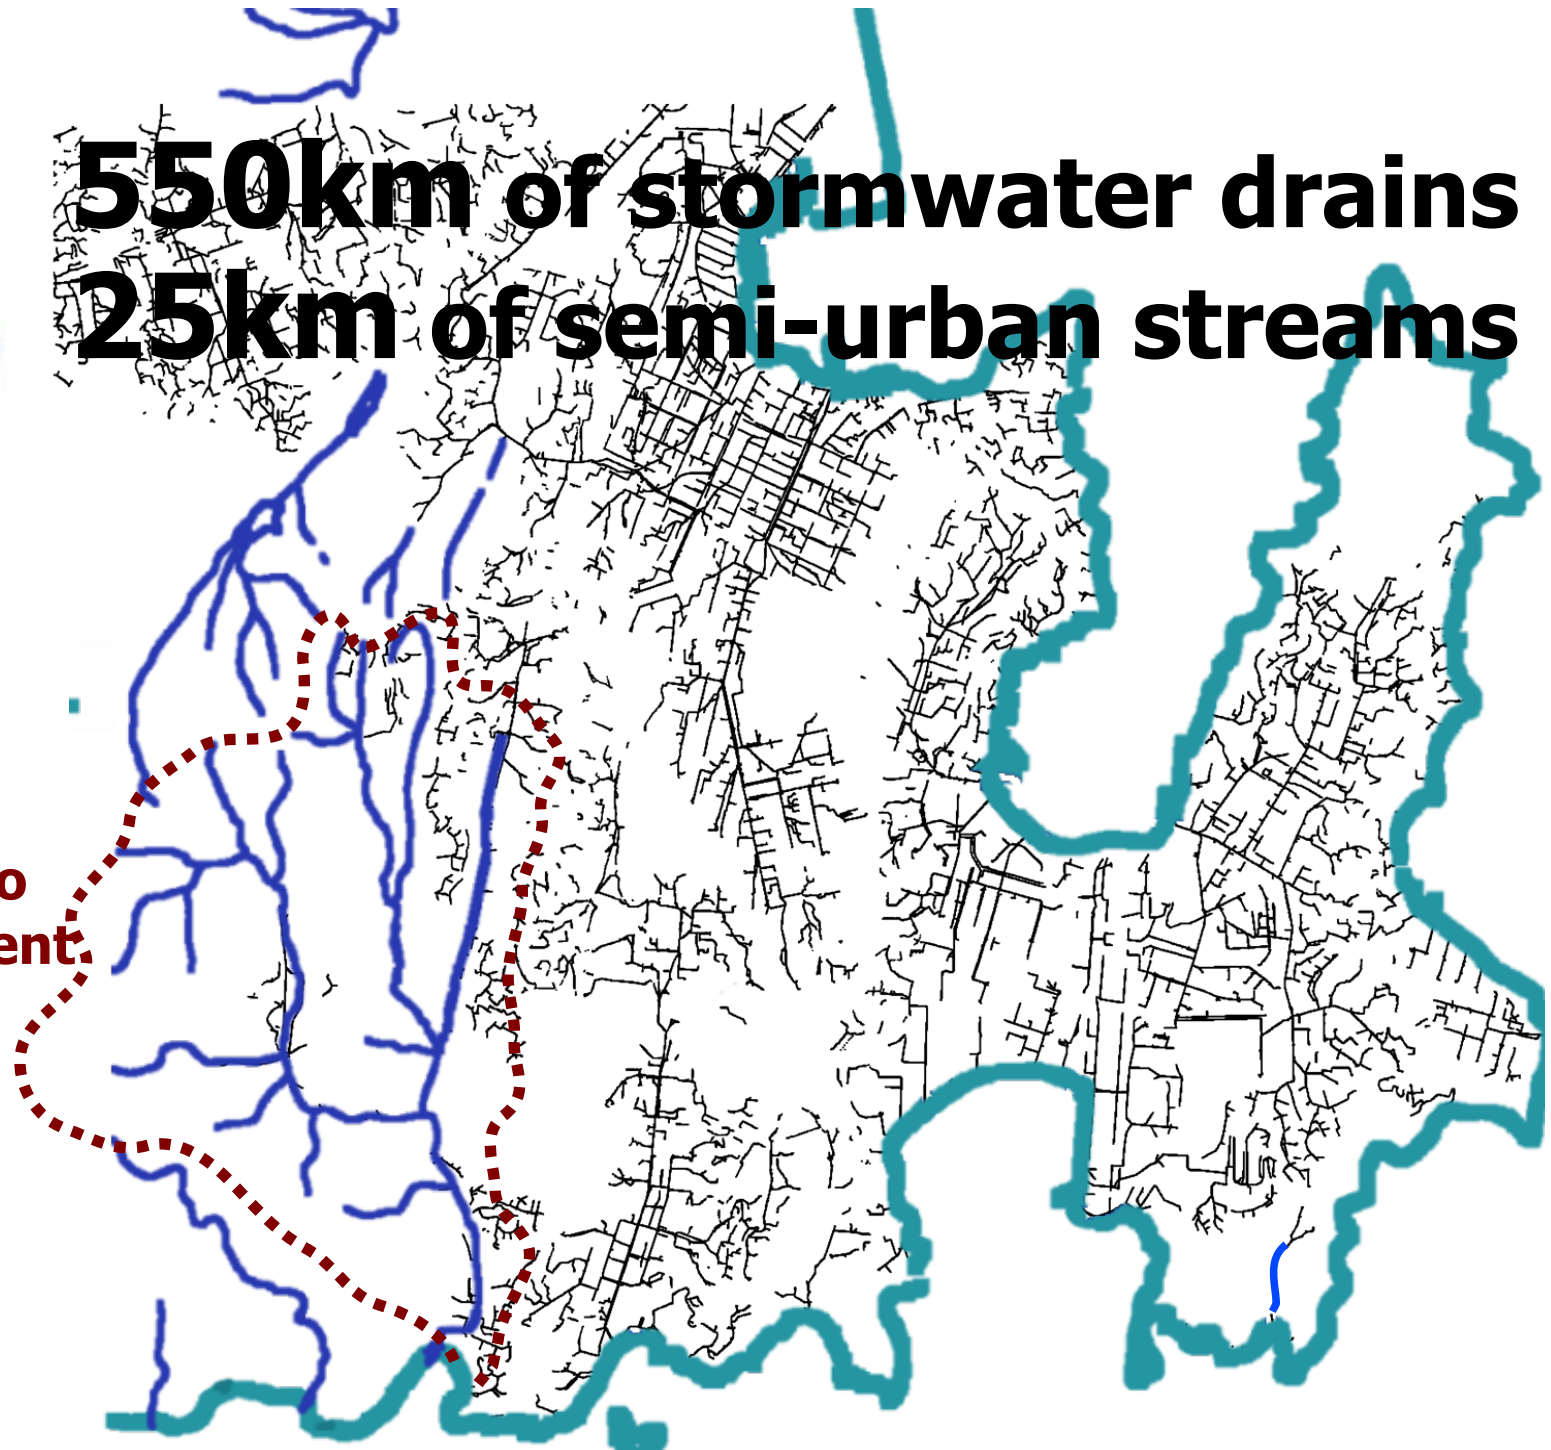

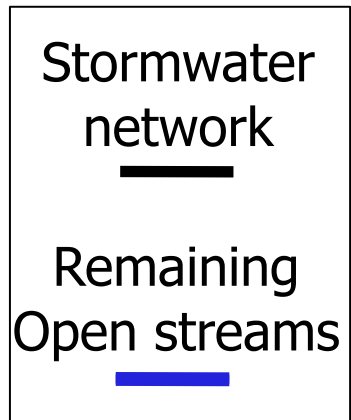

Open streams

550km of stormwater drains
25km of semi-urban streams
