Re: Submitter ID 99/Further Submitter ID FS25: Chorus New Zealand Limited (Chorus), Spark New Zealand Trading Limited (Spark), One New Zealand Group Limited (One) and Fortysouth Group LP (Fortysouth): Wrap Up Hearing

We act for Chorus, Spark, One and Fortysouth (the Telecommunications Companies) who lodged submissions and further submissions relevant to definitions in the Wrap Up Hearing topic.

The Telecommunications Companies wish to record their support for the s42A recommendations in regard to their relevant submission and further submission on this topic and will not be filing any evidence.

The s42A Report recommendations supported relate to the following provisions:

- FS25.1 opposing a proposed definition of *Temporary Infrastructure* sought by the Director General of Conservation (DoC sub 385.9, not supported by reporting planner¹).
- Sub 99.1 supporting notified version of *Regionally Significant Infrastructure*. The reporting planner supports retention of clause (b) relevant to telecommunications networks².

Can you please table this letter of support for the relevant recommendations with the Hearings Panel.

Please do not hesitate to contact me if you have any queries regarding the above.

Yours sincerely
