

Gambling Venues Policy 2021

1. INTRODUCTION

The Gambling Act 2003 (the Act) came into effect on 18 September 2003 and requires territorial local authorities to have in place a policy that:

- specifies whether or not class 4 venues (non-casino gaming machine venues, NCGMs) may be established in its district and, if so, where they may be located
- may specify any restrictions on the maximum number of gaming machines that may be operated at any class 4 venue (the Gambling Act 2003 establishes maximum limits of either 18 machines or 9 machines on gaming machines venues, depending on whether the venue was established before or after October 2001).

The Racing Industry Act 2020 requires territorial authorities to adopt a policy on TAB venues.¹ The Board venues policy must:

- specify whether or not TAB Venues may be established in the district and, if so, where they may be located.

In adopting both a class 4 venues policy and a TAB venues policy, the Council must have regard to the social impacts of gambling in its district.

2. OBJECTIVES OF THE GAMBLING VENUES POLICY

The objectives of the Gambling Act 2003 are, amongst other things, to control the growth of gambling and prevent and minimise the harm caused by gambling, including problem gambling. Beyond the objectives stated in the Act, the objectives of Wellington City Council's Gambling Venues Policy are to:

- manage the risk of gambling harm created by non-casino gaming machines (NCGMs) and TAB gambling to the extent that this can be reasonably done through a gambling venues policy
- ensure that, within the limits prescribed by the Gambling Act 2003 and Racing Industry Act 2020 people who wish to participate in NCGM and TAB gambling can do so within the Wellington District.

3. GENERAL PROVISIONS FOR CLASS 4 VENUES

A society requires the Council's consent in respect of a class 4 (NCGM) venue:

- to increase the number of gaming machines that may be operated at such a venue
- to operate gaming machines at a venue that was not on any society's licence within the previous 6 months
- to operate gaming machines at a venue for which a licence was not held on 17 October 2001

¹ The Racing Industry Act 2020 specifies that a "TAB venue" means the premises that are owned or leased by TAB NZ and where the main business carried on at the premises is providing racing betting or sports betting services. Historically, these venues were referred to as Totalisator Agency Board (TAB) venues.

- to relocate a venue to which a class 4 venue licence currently applies.

An applicant for Council consent under this policy must:

- meet the application conditions specified in this policy
- meet the fee requirements specified in this policy.

4. WHERE CLASS 4 VENUES MAY BE ESTABLISHED

No new Class 4 venues will be allowed under the Council's Sinking Lid Policy. This means that when an existing venue closes, the Council will not give consent for another to be established.

5. WHERE TAB VENUES MAY BE ESTABLISHED

TAB NZ requires the consent of the Council if it proposes to establish a TAB venue. For the avoidance of doubt, this policy only applies to applications for the establishment of stand-alone TAB venues. These are venues in premises that are owned or leased by the TAB, where the main business is providing racing and/or sports betting services. The policy does not cover the installation of TAB terminals in premises not owned or leased by the Board (for example hotels, bars and clubs).

TAB venues may be established anywhere in the Wellington District, subject to the provisions of the Wellington City District Plan and meeting application and fee requirements.

6. APPLICATIONS AND FEES FOR CONSENTS

All applications for consents must be made on the approved form. All applications will incur a fee, to be known as the Gaming/Gambling Venue Consent Fee, which is prescribed by the Council pursuant to section 150 of the Local Government Act 2002.

Fees will be charged for consideration of applications, at the rate of \$90 per hour (GST inclusive). A deposit may be required.

7. DECISION MAKING

The Council has 30 working days in which to determine a consent application.

That decision will be made at officer level pursuant to delegated authority and be based on the criteria detailed in this policy.

In the case of an application relating to a class 4 venue the assessment of the number of gaming machines in the Wellington district will be based on Department of Internal Affairs' official records.

8. APPEALS

Applicants have the right to request a review of the decision by Council officers if it is believed that an error of fact or process has been made.

9. MONITORING AND REVIEW

The Council will complete a review of the policy within three years of its adoption, in accordance with the special consultative procedure outlined in the Local Government Act 2002. Subsequent

reviews will take place on a three-yearly cycle, as required by the Gambling Act 2003 and Racing Industry Act 2020.

10.COMMENCEMENT OF POLICY

The policy will take effect from the time the Council resolves to adopt it. The 2015 Gambling Venues Policy is revoked on the adoption of this policy. All applications for territorial local authority (Council) consent will be considered under the policy in place at the time the application is received.
